Performance Fact Sheet

Cosmetology - 1600 Hours

Completion Rate

Calendar Year	Number of Students Who Began Program[1]	Students Available for Graduation[2]	Graduates[3]	Completion Rate[4]
2010	129	126	110	87.30%
2011	72	69	57	82.61%

1 “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2 “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

3 “Graduates” is the number of students who completed the program within 100% of the published program length.

4 “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Placement Rate

Calendar Year	Number of Students Who Began Program[1]	Number of Graduates[2]	Graduates Available for Employment[3]	Graduates Employed in the Field[4]	Placement Rate % Employed in the Field[5]	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2010	129	110	108	66	61.11%	Unknown	Unknown
2011	72	57	57	41	71.93%	Unknown	Unknown

1 “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2 “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

Performance Fact Sheet

Cosmetology - 1600 Hours

3 “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

4 “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

5 "Placement Rate" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

License Examination Passage Rate

Calendar Year	Number of Students Taking Exam[1]	Number Who Passed Exam Taken[2]	Number Who Failed Exam Taken	Passage Rate[3]
2010	103	98	5	95.15%
2011	62	57	5	91.94%

1 "Number of Students Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

2 "Exam Date" is the date for the first available exam after the students completed the program.

3 "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

A) Completion rates, Placement rates and License examination passage rates for programs leading to employment for which passage of a state licensing examination is required, are calculated pursuant to Article 16 (commencing with Section 94928). References to the Code are to the California Education Code where the California Private Postsecondary Education Act of 2009 is located.

B) Job placement assistance is provided to students and graduates at no additional charge. The institution works closely with salon owners and takes great pride in placing its graduates in leading beauty salons and Cosmetology-related establishments. The institution also provides a “Job Listing” bulletin board for students to review employment opportunities, although the institution cannot guarantee placement or use it as an

Performance Fact Sheet

Cosmetology - 1600 Hours

inducement for enrollment. A job readiness class is given during the course of instruction, which includes the skills required for successfully completing a resume, interviewing, dressing for success, etc.

C) The employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates are: Cosmetologist, Hairstylist, Hair Stylist, Hairdresser, Barber Stylist, Hair Dresser, Manager Stylist, Nail Technician ,Makeup Artist, Hair and Makeup Designer, Special Effects Makeup Artist, Commercial Makeup Artist, Prosthetic Makeup Designer , Manicurist, Pedicurist, Esthetician, Aesthetician, Skin Care Specialist, Skin Care Therapist, Spa Technician, Facialist, Medical Esthetician, Nurse Esthetician, Skin Care Technician.

D) According to the Bureau of Labor Statistics, employment for cosmetologists will increase by 20 percent from 2008 to 2018. For more current information of employment trends and earnings, students can visit the Department of Labor at www.dol.gov or the CareerOneStop at www.careeronestop.org.

E) This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information student may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

F) Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to:
