1. "Graduates Available for Employment" means the Graduates minus the Graduates Unavailable for Employment. "Graduates" means the Students Who Began Program who completed the Program within 100% of the published length of the Program. "Students Who Began Program" means the number of students who began the Program who were scheduled to complete the Program within the specified calendar year. "Graduates Unavailable for Employment" means the number of students who, after graduation, died, were incarcerated, were called to active military duty, were international students who left the United States or did not have a visa allowing employment in the United States, or continued their education at a postsecondary institution that was either accredited by an agency recognized by the ED or approved by the Bureau.
2. "Graduates Employed in the Field" means the Graduates with respect to whom the School received reports that they were employed within six months of graduation from the Program in a single position for which the skills

obtained through the education and training provided by the School were required or provided a significant advantage to the Graduate in obtaining the Positions. These Graduates may have obtained employment in the field prior to enrolling in the Program, while enrolled in the Program or after graduating from the Program. A list of the titles of the Positions can be obtained from the Career Services Department at the School.

3. “Salary” means the approximate annualized salary reported to the School, and excludes other factors that may be part of employee compensation, such as bonuses, incentives and the value of employee benefits. Variables that may affect the amount of the salaries with respect to the Graduates Employed in the Field include, without limitation: (a) each of those graduates’ prior experience, performance, work history, work ethic, seniority and/or education; (b) the size of the employer; (c) the industry; (d) the location; and (e) the type of work. A list of the employers of the Graduates Employed in the Field can be obtained from the Career Services Department at the School. Salary information may not have been reported to the School with respect to all of the Graduates Employed in the Field.

Wage and salary data reported by the California Employment Development Department's Occupational Employment Statistics for careers and occupations that involve knowledge and skills taught in the Program are as follows:

| | | 2012 – 1st Quarter Wages | | | | |
|---|---|---|---|---|---|---|
| **SOC Code** | **Occupational Title** | **Mean Hourly Wage** | **Mean Annual Wage** | **25th Percentile Hourly Wage** | **50th Percentile (Median) Hourly Wage** | **75th Percentile Hourly Wage** |
| 27-1014 | Multimedia Artists and Animators | $40.77 | $84,820 | $27.25 | $36.44 | $49.44 |

These survey data are from the 2011 Occupational Employment Statistics (OES) survey. The wages have all been updated to the first quarter of 2012 by applying the US Department of Labor's Employment Cost Index to the 2011 wages. Occupations are classified using the Standard Occupational Classification (SOC) codes. For details of the methodology, see the Overview of the OES Survey at http://www.labormarketinfo.edd.ca.gov. **This is not wage and salary data for entry-level employees.**

A list of the employers of the Graduates Employed in the Field can be obtained from the Career Services Department at the School. Salary information may not have been reported to the School with respect to all of the Graduates Employed in the Field.

Wage and salary data reported by the California Employment Development Department's Occupational Employment Statistics for careers and occupations that involve knowledge and skills taught in the Program are as follows:

| | | 2012 – 1st Quarter Wages | | | | |
|---|---|---|---|---|---|---|
| **SOC Code** | **Occupational Title** | **Mean Hourly Wage** | **Mean Annual Wage** | **25th Percentile Hourly Wage** | **50th Percentile (Median) Hourly Wage** | **75th Percentile Hourly Wage** |
| | | | | | | |

These survey data are from the 2011 Occupational Employment Statistics (OES) survey. The wages have all been updated to the first quarter of 2012 by applying the US Department of Labor's Employment Cost Index to the 2011 wages. Occupations are classified using the Standard Occupational Classification (SOC) codes. For details of the methodology, see the Overview of the OES Survey at http://www.labormarketinfo.edd.ca.gov. **This is not wage and salary data for entry-level employees.**
