[7] Graduates, minus the Graduates Unavailable for Employment. Graduates Unavailable for Employment refers to students who, after graduation, died, were incarcerated, were called to active military duty, were international students who left the United States or do not have a visa allowing employment in the United States, or continued their education at a postsecondary institution that was either accredited by an agency recognized by the US Department of Education (ED) or approved by the California Bureau for Private Postsecondary Education ("Bureau").

[8] Graduates with respect to whom the School received reports that they were gainfully employed within six months of graduation from the Program in a single position for which the Program helped them prepare for such positions. These Graduates may have obtained employment in the Field prior to enrolling in the Program, while enrolled in the Program or after graduating from the Program. A list of the titles of the Positions can be obtained from the Career Services Department at the School.

[9] Rate that is calculated by dividing the Graduates Employed in the Field by the Graduates Available for Employment.
