Definitions:

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session or by the seventh (7th) calendar day, after enrollment, whichever is later.

2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.

3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59pm PST on the sixth (6th) calendar day, after their scheduled program start date.

4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.

5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.

6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session or by the seventh (7th) calendar day, after enrollment, whichever is later.

2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.

3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59pm PST on the sixth (6th) calendar day, after their scheduled program start date.

4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.

5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.

6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

Definitions:

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Definitions:

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session, or by 11:59PST on the seventh (7th) day after enrollment, whichever is later.

2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.

3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59PST on the seventh (7th) calendar day after their scheduled program start date.

4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.

5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.

6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

Definitions:

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session, or by 11:59PST on the seventh (7th) day after enrollment, whichever is later.
2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.
3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59PST on the seventh (7th) calendar day after their scheduled program start date.
4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.
5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.
6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

Definitions:

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session, or by 11:59PST on the seventh (7th) day after enrollment, whichever is later.
2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.
3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59PST on the seventh (7th) calendar day after their scheduled program start date.
4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.
5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.
6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
7. A cancellation notice need not take any particular form and however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session, or by 11:59PST on the seventh (7th) day after enrollment, whichever is later.
2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.
3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59PST on the seventh (7th) calendar day after their scheduled program start date.
4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.
5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.
6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session, or by 11:59PST on the seventh (7th) day after enrollment, whichever is later.

2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.

3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59PST on the seventh (7th) calendar day after their scheduled program start date.

4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.

5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.

6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.

STUDENT'S RIGHT TO CANCEL

1. The student has the right to cancel and obtain a refund of charges paid (as described in the Refund Policy section) through attendance at the first class session, or by 11:59PST on the seventh (7th) day after enrollment, whichever is later.
2. "Enrollment" as stated in No. 1 above is defined as the execution of an enrollment agreement signed by all required parties.
3. To provide all students in the same class with equal time to cancel after beginning the educational program, the College extends the cancellation period and requires that students exercise the right to cancel by 11:59PST on the seventh (7th) calendar day after their scheduled program start date.
4. Students may withdraw from the School at any time after the cancellation period and may receive a pro rata refund as described in the Refund Policy section.
5. Cancellation shall occur when the student provides notice of cancellation at the address of their respective campus. This can be communicated by mail, email or hand delivery.
6. A cancellation notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
7. A cancellation notice need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
8. Upon cancellation, if the student has received Federal Student Financial Aid funds, the student is entitled to a refund of monies not paid from Federal Student Financial Aid program funds.
