24 to exceed the reasonable costs of the investigation and enforcement of the case, with failure of the
25 licentiate to comply subjecting the license to not being renewed or reinstated. If a case settles,
26 recovery of investigation and enforcement costs may be included in a stipulated settlement.

27 **FACTUAL BACKGROUND**

28 16. At all times mentioned herein, Argosy University (Argosy) was approved by the
Bureau to operate programs at the institutions listed in paragraph 2, above, which are all owned
by Dream Center Education Holdings, LLC (Respondent). Argosy participates in Title IV of the
federal Higher Education Act of 1965 for all of its California locations, and over 83 percent of its
students participate in Title IV funds.

1 17. On or about February 11, 2019, the Bureau received a complaint from an enrolled
2 student at Argosy – Orange County (main campus) located in Santa Ana, California, alleging that
3 Argosy had been placed into federal receivership, was not providing information to students, had
4 not paid federal financial aid stipends due to students, was not sure if students would be allowed
5 to graduate, corporate offices were not replying to student inquiries, and they were at risk of
6 losing accreditation. Following receipt of this complaint, the Bureau opened an investigation.

7 18. During the course of the investigation, the Bureau discovered that Argosy’s
8 accrediting agency, the Western Association of Schools and Colleges (WASC) ordered
9 Respondent to show cause as to why its accreditation should not be withdrawn. The reasons for
10 the order were listed as the institution entering a receivership and USDOE’s placement of Argosy
11 on Heighted Cash Monitoring (level) 2. In fact, a receiver was appointed on January 18, 2019.
12 Prior to the receiver’s appointment, the USDOE had released \$9.2 million in federal financial aid
13 to Respondent. Respondent used some of that money for student stipends, some for payroll and
14 some for critical vendors. As of February 7, 2019, Argosy had not paid student stipends in the
15 amount of \$16,299,840, including stipends for students at Western State College of Law.
16 Meanwhile, the receiver’s cash balance was only \$3,811,883. In addition, the court in the
17 receivership case found that Respondent and its subsidiaries were indebted to secured trade, and
18 unsecured creditors for sums in excess of \$100,000,000. The Bureau also learned that on
19 February 7, 2019, the receiver terminated the employment of Argosy’s chancellor, and nearly 100
20 Argosy faculty, academic support personnel and financial aid counselors.

21 19. On February 25, 2018, a Bureau Investigator and Education Specialist visited the San
22 Diego, Irvine, Santa Ana and North Hollywood campuses. Although the campuses were open
23 and classes were in session, staff had been greatly reduced and some campuses were not enrolling
24 students. Since the visit, multiple students at Respondent’s various campuses contacted the
25 Bureau to complain that there has been no activity on their accounts since August 2018, they
26 should have received stipend payments in January 2019, and they have received little to no
27 information regarding payment of their stipends, with some students facing dire financial
28 circumstances due to the lack of funds. In addition, on July 3, 2018, Argosy notified the Bureau

1 of the cessation of enrollment at seven California campuses. On January 9, 2019, the California
2 State Approving Agency for Veterans Education (CSAAVE) notified Respondent of their
3 disapproval of all courses offered at four Art Institute of California campuses due to the closure
4 of those campuses.

5 20. On February 27, 2019, the USDOE cancelled Argosy's participation in the Student
6 Financial Aid Program under Title IV of the Higher Education Act of 1965. Termination of
7 Argosy's participation included all of Argosy's California locations. Argosy's participation was
8 cancelled based on Argosy's current financial situation, in particular, its failure to pay Title IV,
9 Higher Education Act Program credit balances owed to its students and parents. The USDOE
10 determined that Argosy failed to meet the following required standards as set forth by the
11 USDOE: (1) fiduciary standard of conduct; (2) financial responsibility; and (3) standards of
12 administrative capability. The USDOE further determined that the violations were serious, and
13 the potential harm to students and taxpayers was severe. USDOE further found that the failure to
14 pay Title IV, Higher Education program funds demonstrated a "blatant disregard of the needs of
15 its students." The USDOE also determined that Argosy's termination of its chancellor, and
16 nearly 100 faculty, academic support personnel and financial aid counselors has "resulted in
17 substantial and irreparable damage to the academic integrity of Argosy... because Argosy can no
18 longer provide services, including academic programs, described in its official publications and
19 statements."

20 21. On or about March 4, 2019, the Bureau issued Respondent a Notice of Emergency
21 Decision, pursuant to California Code of Regulations, title 5, section 75150, and Government
22 Code section 11460.10, et. seq. Pursuant to the Emergency Decision, effective on March 13,
23 2019, the Bureau ordered Respondent to "cease enrollment of any new students in all programs"
24 and "cease the collection of tuition and fees for all institutional programs" at the schools
25 referenced by institution code in the caption of this Accusation. The Emergency Decision was
26 not appealed and is now final.
