STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICIES

Students have the right to cancel the enrollment agreement and obtain **a refund of charges paid through attendance at the first class session, or the seventh day, by MM/DD/YYYY after enrollment, whichever is later.**

Cancellation Policy: Cancellation shall occur when a student delivers a written notice of cancellation to the address of the school shown on the top of the front page of the Enrollment Agreement. Students must indicate your request to cancel and obtain a refund by submitting this by mail, hand delivery, e-mail or facsimile.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with prepaid postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by his or her Enrollment Agreement.

Students will be given two Notice of Cancellation forms on the first day of class, but if they choose to cancel, they can use any written notice desired. If the school has given the student any equipment, including books or other materials, he or she shall return it to the school within 30 days following the date of his or her notice of cancellation. If the student fails to return this equipment, including books, or other materials, in good condition within the 30-day period, the school may deduct its documented cost for the equipment from any refund that may be due to the student. Once the student pays for equipment, it is the student's to keep without further obligation. If the student cancels the Enrollment Agreement, the school will refund any money that he or she paid within 45 days after the notice of cancellation is received, with deductions for equipment not timely returned in good condition and in accordance with the school's refund policy.

Withdrawal Policy: Students have the right to withdraw from the course of instruction at any time. If the student withdraws from the course of instruction after the period allowed for cancellation of the enrollment agreement. **A withdrawal can take place either by written notice provided by student to the school or by student's conduct, including but not necessarily limited to, student's lack of attendance.** Should student choose to withdraw by written notice, student must complete a Withdrawal form obtained at the Registrar office. Once the form is filled out and signed, it must be taken to the Registrar office, where it will be recorded, and filed. The student must refer to the Refund Policy for any applicable refund.

Refund Policy: Student shall be refunded 100% of the amount paid for institutional charges, less a \$150 non-refundable registration fee, if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later.

If after the above cancellation deadline, the refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund, less a \$150 non-refundable and STRF fee.

If the student obtained books or equipment, as specified in the Enrollment Agreement as a separate charge, but returned them in good condition within 30 days following the date of their withdrawal, the school shall refund the charge of the books or equipment. If they fail to return books or equipment in good condition within the 30-day period, the school may offset the documented cost for books or equipment exceeding the prorated refund amount against the refund. For a list of these costs, see the list on the front of the Enrollment Agreement and any attachments. **If the amount that the student has paid is more than the amount owed for the course time attended, then a refund will be made within 45 days of withdrawal. Students have the right to cancel the enrollment agreement and obtain **a refund of charges paid through attendance at the first class session, or the seventh day, by MM/DD/YYYY after enrollment, whichever is later.**

Cancellation Policy: Cancellation shall occur when a student delivers a written notice of cancellation to the address of the school shown on the top of the front page of the Enrollment Agreement. Students must indicate your request to cancel and obtain a refund by submitting this by mail, hand delivery, e-mail or facsimile.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with prepaid postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by his or her Enrollment Agreement.

Students will be given two Notice of Cancellation forms on the first day of class, but if they choose to cancel, they can use any written notice desired. If the school has given the student any equipment, including books or other materials, he or she shall return it to the school within 30 days following the date of his or her notice of cancellation. If the student fails to return this equipment, including books, or other materials, in good condition within the 30-day period, the school may deduct its documented cost for the equipment from any refund that may be due to the student. Once the student pays for equipment, it is the student's to keep without further obligation. Refund Policy: Student shall be refunded 100% of the amount paid for institutional charges, less a \$150 non-refundable registration fee, if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later.

If after the above cancellation deadline, the refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund, less a \$150 non-refundable and STRF fee.

Under California law, if the student withdraws after using more than 60% of the class hours paid for, no refund will be issued.

In order to obtain a refund, you must fill out a Notice of Refund within 6 months of your cancellation or withdrawal. If request for a refund or credit has not been completed within 6 months, it will no longer be available. All refunds as determined above will be paid within 45 days after the date of your completion of or withdrawal from LearnNet Academy's program, according to LearnNet Academy's cancellation, withdrawal, and refund policies.

The refund shall be the amount the students paid for instruction multiplied by a fraction, the numerator of which is the number of clock hours of instruction which they have not received but for which they have paid, and the denominator of which is the total number of clock hours of instruction for which they have paid. If the student obtained books or equipment, as specified in the Enrollment Agreement as a separate charge, but returned them in good condition within 30 days following the date of their withdrawal, the school shall refund the charge of the books or equipment. If they fail to return books or equipment in good condition within the 30-day period, the school may offset the documented cost for books or equipment exceeding the prorated refund amount against the refund. For a list of these costs, see the list on the front of the Enrollment Agreement and any attachments. **If the amount that the student has paid is more than the amount owed for the course time attended, then a refund will be made within 45 days of withdrawal. If the amount that the student owes is more than the amount already paid, he or she will have to make arrangements to pay it.**

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICIES

Students have the right to cancel the enrollment agreement and obtain **a refund of charges paid through attendance at the first class session, or the seventh day, by MM/DD/YYYY after enrollment, whichever is later.**

Cancellation Policy: Cancellation shall occur when a student delivers a written notice of cancellation to the address of the school shown on the top of the front page of the Enrollment Agreement. Students must indicate your request to cancel and obtain a refund by submitting this by mail, hand delivery, e-mail or facsimile.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with prepaid postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by his or her Enrollment Agreement.

Students will be given two Notice of Cancellation forms on the first day of class, but if they choose to cancel, they can use any written notice desired. If the school has given the student any equipment, including books or other materials, he or she shall return it to the school within 30 days following the date of his or her notice of cancellation. If the student fails to return this equipment, including books, or other materials, in good condition within the 30-day period, the school may deduct its documented cost for the equipment from any refund that may be due to the student. Once the student pays for equipment, it is the student's to keep without further obligation. If the student cancels the Enrollment Agreement, the school will refund any money that he or she paid within 45 days after the notice of cancellation is received, with deductions for equipment not timely returned in good condition and in accordance with the school's refund policy.

Withdrawal Policy: Students have the right to withdraw from the course of instruction at any time. If the student withdraws from the course of instruction after the period allowed for cancellation of the enrollment agreement. **A withdrawal can take place either by written notice provided by student to the school or by student's conduct, including but not necessarily limited to, student's lack of attendance.** Should student choose to withdraw by written notice, student must complete a Withdrawal form obtained at the Registrar office. Once the form is filled out and signed, it must be taken to the Registrar office, where it will be recorded, and filed. The student must refer to the Refund Policy for any applicable refund.

Refund Policy: Student shall be refunded 100% of the amount paid for institutional charges, less a \$150 non-refundable registration fee, if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later.

If after the above cancellation deadline, the refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund, less a \$150 non-refundable and STRF fee.

Under California law, if the student withdraws after using more than 60% of the class hours paid for, no refund will be issued.

In order to obtain a refund, you must fill out a Notice of Refund within 6 months of your cancellation or withdrawal. If request for a refund or credit has not been completed within 6 months, it will no longer be available. All refunds as determined above will be paid within 45 days after the date of your completion of or withdrawal from LearnNet Academy's program, according to LearnNet Academy's cancellation, withdrawal, and refund policies.

If the student obtained books or equipment, as specified in the Enrollment Agreement as a separate charge, but returned them in good condition within 30 days following the date of their withdrawal, the school shall refund the charge of the books or equipment. If they fail to return books or equipment in good condition within the 30-day period, the school may offset the documented cost for books or equipment exceeding the prorated refund amount against the refund. For a list of these costs, see the list on the front of the Enrollment Agreement and any attachments. **If the amount that the student has paid is more than the amount owed for the course time attended, then a refund will be made within 45 days of withdrawal. If the amount that the student owes is more than the amount already paid, he or she will have to make arrangements to pay it.**

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL: CANCELLATION, WITHDRAWAL, AND REFUND POLICIES

Students have the right to cancel the enrollment agreement and obtain **a refund of charges paid through attendance at the first class session, or the seventh day, by MM/DD/YYYY after enrollment, whichever is later.**

Cancellation Policy: Cancellation shall occur when a student delivers a written notice of cancellation to the address of the school shown on the top of the front page of the Enrollment Agreement. Students must indicate your request to cancel and obtain a refund by submitting this by mail, hand delivery, e-mail or facsimile.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with prepaid postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by his or her Enrollment Agreement.

Students will be given two Notice of Cancellation forms on the first day of class, but if they choose to cancel, they can use any written notice desired. If the school has given the student any equipment, including books or other materials, he or she shall return it to the school within 30 days following the date of his or her notice of cancellation. If the student fails to return this equipment, including books, or other materials, in good condition within the 30-day period, the school may deduct its documented cost for the equipment from any refund that may be due to the student. Once the student pays for equipment, it is the student's to keep without further obligation. If the student cancels the Enrollment Agreement, the school will refund any money that he or she paid within 45 days after the notice of cancellation is received, with deductions for equipment not timely returned in good condition and in accordance with the school's refund policy.

Withdrawal Policy: Students have the right to withdraw from the course of instruction at any time. If the student withdraws from the course of instruction after the period allowed for cancellation of the enrollment agreement. **A withdrawal can take place either by written notice provided by student to the school or by student's conduct, including but not necessarily limited to, student's lack of attendance.** Should student choose to withdraw by written notice, student must complete a Withdrawal form obtained at the Registrar office. Once the form is filled out and signed, it must be taken to the Registrar office, where it will be recorded, and filed. The student must refer to the Refund Policy for any applicable refund.

Refund Policy: Student shall be refunded 100% of the amount paid for institutional charges, less a \$150 non-refundable registration fee, if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later.

If after the above cancellation deadline, the refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund, less a \$150 non-refundable and STRF fee.

Under California law, if the student withdraws after using more than 60% of the class hours paid for, no refund will be issued.

In order to obtain a refund, you must fill out a Notice of Refund within 6 months of your cancellation or withdrawal. If the student obtained books or equipment, as specified in the Enrollment Agreement as a separate charge, but returned them in good condition within 30 days following the date of their withdrawal, the school shall refund the charge of the books or equipment. If they fail to return books or equipment in good condition within the 30-day period, the school may offset the documented cost for books or equipment exceeding the prorated refund amount against the refund. For a list of these costs, see the list on the front of the Enrollment Agreement and any attachments. **If the amount that the student has paid is more than the amount owed for the course time attended, then a refund will be made within 45 days of withdrawal. If the amount that the student owes is more than the amount already paid, he or she will have to make arrangements to pay it.**

The refund shall be the amount the students paid for instruction multiplied by a fraction, the numerator of which is the number of clock hours of instruction which they have not received but for which they have paid, and the denominator of which is the total number of clock hours of instruction for which they have paid. If the student obtained books or equipment, as specified in the Enrollment Agreement as a separate charge, but returned them in good condition within 30 days following the date of their withdrawal, the school shall refund the charge of the books or equipment. If they fail to return books or equipment in good condition within the 30-day period, the school may offset the documented cost for books or equipment exceeding the prorated refund amount against the refund. For a list of these costs, see the list on the front of the Enrollment Agreement and any attachments. **If the amount that the student has paid is more than the amount owed for the course time attended, then a refund will be made within 45 days of withdrawal. If the amount that the student owes is more than the amount already paid, he or she will have to make arrangements to pay it.**
