Dear Ms. Duran:

The San Francisco/Seattle School Participation Division (SPD) has transferred Advance Beauty Techs Academy (ABTA) from the Heightened Cash Monitoring 1 (HCM1) to the HCM2 method of payment effective January 30, 2017.

Under the HCM2 method of payment, ABTA may continue to obligate funds under the federal student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended. ABTA may disburse institutional funds to eligible students. If ABTA disburses institutional funds, the U.S. Department of Education (Department) will reimburse it for properly documented expenditures. The Department reserves the right to offset any federal claims against funds due to ABTA.

This action is authorized by Section 415 of the General Education Provisions Act, 20 USC 1216a-1, and by the following program regulations: 34 C.F.R. § 668.162, Student Assistance General Provisions.

The Department has taken this action because of ABTA's failure to provide a Letter of Credit (LOC) as required in the Department's September 30, 2016 Provisional/LOC Alternative Letter.
