CITATION

A Citation is hereby issued to Lambda Inc., dba Lambda School, Owner of Lambda School (Institution) located at 5820 Stoneridge Mall Rd., Ste. 212, Pleasanton, CA 94588 pursuant to Business and Professions Code section 125.9 and 149; California Education Code (CEC) section 94944; and Title 5 of the California Code of Regulations (5, CCR) section 75020 for the violation(s) described below.

BACKGROUND

On July 13, 2018, the Bureau received a complaint alleging, the Institution was operating without Bureau approval. Through the course of the investigation and evidence obtained, it was determined the Institution is operating without Bureau approval.

VIOLATION(S)

#	Below you will find the California Education Code (CEC) and/or Title 5 of the California Code of Regulations (5, CCR code) section(s) of law you are charged with violating.
1.	<p><u>Violation:</u> CEC Section 94886. Approval to Operate Required "Except as exempted in Article 4 (commencing with Section 94874) or in compliance with the transition provisions in Article 2 (commencing with Section 94802), a person shall not open, conduct, or do business as a private postsecondary educational institution in this state without obtaining an approval to operate under this chapter."</p>

94858. Private Postsecondary Educational Institution

“Private postsecondary educational institution” means a private entity with a physical presence in this state that offers postsecondary education to the public for an institutional charge.

CEC Section 94817.5. Approved to Operate or Approved

“Approved to operate” or “approved” means that an institution has received authorization pursuant to this chapter to offer to the public and to provide postsecondary educational programs.”

CEC Section 94868. To Offer to the Public

“To offer to the public” means to advertise, publicize, solicit, or recruit.”

CEC Section 94869. To Operate

“To operate” means to establish, keep, or maintain any facility or location in this state where, or from which, or through which, postsecondary educational programs are provided.”

On December 5, 2018, Bureau staff investigated the complaint to determine if the Institution was operating as a private postsecondary educational institution. The Institution is listed as “Lambda School” on their website and is advertising to the public a set of introductory and immersive courses in Full Stack Web, iOS Development, Android Development, Data Science, and UX Design. Tuition costs are not listed as they offer Income Sharing Agreements (ISAs). The institution’s “How It Works” tab reads: *“Lambda School trains people online to be software engineers at no up-front cost. Instead of paying tuition, students can agree to pay a percentage of their income after they’re employed, and only if they’re making more than \$50k per year. If you don’t find a job, or don’t reach that level of income, you’ll never pay a cent.”*

The Institution’s website indicates, as part of their FAQ tab, that students can pay an upfront tuition cost of \$20,000 instead of signing an ISA. This evidence confirms that the Institution violated the requirement for an Approval to Operate, per CEC section 94886, as the Institution is operating unapproved and charging students over \$2,500.00 in tuition and does not qualify for any of the exemptions under CEC section 94874.

On December 5, 2018, the Institution was contacted, via their website’s instant message option, requesting information regarding the function of their California campus location. A response was not received.

A business license listing was found for Lambda School with the City of Pleasanton.

Order of Abatement:

The Bureau orders that the Institution cease to operate as a private postsecondary educational institution, unless the Institution qualifies for an exemption under CEC section 94874. The Institution must discontinue recruiting or enrolling students and cease all instructional services and advertising in any form or type of media, including the <https://lambdaschool.com> and any other websites not identified here that are associated with the Institution, until such time as an approval to operate is obtained from the Bureau. The Institution must disconnect all telephone service numbers including but not limited to (800) 883-1943 that are associated with the Institution until such time as an approval to operate is obtained from the Bureau. To comply with the Order of Abatement the Institution must submit a school closure plan to the Bureau pursuant to California Education Code section 94926.
