¹"Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
²"Number of Graduates" is the number of students who have completed the program within 100% of the published program length.
³"Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
⁴"Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
⁵"Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

License Examination Passage Rates (continually administered tests)

The rates are based on students completing the program and taking the NCLEX-RN exam in the year indicated.

Calendar Year	# Taking Exam ¹	# Who Passed First Exam ²	# Who Failed First Exam	Passage Rates ³
