

Student Performance Fact Sheet – 2010 & 2011

Program: CISCO Programs

Completion Rates

Completed in 100% - 2011

Program Name	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
Cisco Networking Professional (Intro)	60	60	60	100%
Cisco Networking Professional: CCNP	11	11	11	100%

Completed in 100% - 2010

Program Name	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
Cisco Networking Professional (Intro)	37	37	37	100%
Cisco Networking Professional: CCNP	3	3	3	100%

¹"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²"Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," means those students who have died, been incarcerated, called to active military duty.

³"Graduates" is the number of students who completed the program within 100% of the published program length.

⁴"Completion Rate" is number of Graduates divided by the Number of Students Available for Graduation.

Placement Rates

The programs listed below do not have Placement information as most of our clients are corporate learners, therefore Unitek Education offers no placement services and has no placement information for any of its IT Training students.

2011

Program Name	# of Grads Avail for Employment ³	Graduates Employed in the Field ⁴	Placement Rate employed in field ⁵
Cisco Networking Professional (Intro)	60	0	0%
Cisco Networking Professional: CCNP	11	0	0%

2010

Program Name	# of Grads Avail for Employment ³	Graduates Employed in the Field ⁴	Placement Rate employed in field ⁵
Cisco Networking Professional (Intro)	37	0	0%
Cisco Networking Professional: CCNP	3	3	0%

³"Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, called to active duty, international students that leave the USA or do not have a visa allowing employment in the USA, or are continuing their education in an accredited or bureau-approved postsecondary institution.

4"Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

5"Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Salary Information & License Examination Passage Rates

The programs listed below do not have Salary information as most of our clients are corporate learners who are not seeking new jobs, therefore Unitek Education collects no salary information for any of its IT Training students.

EDD Salary and Wage Information

The following wage and salary data and job titles for each program offered was obtained from the Employment Development Department Occupational Employment Statistics (www.labormarketinfo.edd.ca.gov):

Cisco Networking Professional (Intro)	Hourly			Salary
Potential Job Title	Low (25th percentile)	Median (50th percentile)	High (75th percentile)	Mean Annual Wage
<ul style="list-style-type: none"> • Network Engineer • IT Professional Specialist 	\$28.44	\$42.76	\$53.92	\$41.52
<ul style="list-style-type: none"> • Local Area Network (LAN) or Wide Area Network (WAN) Administrators 				
<ul style="list-style-type: none"> • Administrator 				
<ul style="list-style-type: none"> • Systems Engineer 				
<ul style="list-style-type: none"> • Computer Security Specialists 				

Cisco Networking Professional (CCNP)	Hourly			Salary
Potential Job Title	Low (25th percentile)	Median (50th percentile)	High (75th percentile)	Mean Annual Wage
<ul style="list-style-type: none"> • Network Engineer • IT Professional Specialist 	\$28.44	\$42.76	\$53.92	\$41.52
<ul style="list-style-type: none"> • Local Area Network or Wide Area Network Administrators 				
<ul style="list-style-type: none"> • Administrator 				
<ul style="list-style-type: none"> • Systems Engineer 				
<ul style="list-style-type: none"> • Computer Security Specialists 				

1. If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative.
2. This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.
3. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at: P.O. Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, P: 888.370.7589 or 916.431.6959, F: 916.263.1897

Student Performance Fact Sheet – 2010 & 2011
Program: EMT Programs Campus: Fremont

Completion Rates

Completed in 100%

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2010	341	341	322	94%
2011	361	361	354	98%

1"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2"Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," means those students who have died, been incarcerated, called to active military duty.

3"Graduates" is the number of students who completed the program within 100% of the published program length.

4"Completion Rate" is number of Graduates divided by the Number of Students Available for Graduation.

5"150% Graduates" is number of students who completed the program within 101-150% of published program length.

6"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Placement Rates & Salary Information

The programs listed below do not have Placement rate or Salary information as most of our clients are corporate learners and therefore Unitek Education is not expected to offer them placement service.

Year	# of Grads Avail for Employment ³	Graduates Employed in the Field ⁴	Placement Rate employed in field ⁵
2010	322	0	0%
2011	354	0	0%

3"Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, called to active duty, international students that leave the USA or do not have a visa allowing employment in the USA, or are continuing their education in an accredited or bureau-approved postsecondary institution.

4"Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

5"Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

License Examination Passage Rates

Calendar Year	# Taking Exam ¹	# Who Passed First Exam ²	# Who Failed First Exam	Passage Rates ³
2010	274	188	86	69%
2011	306	216	90	71%

1Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

2Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

3Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

EDD Salary and Wage Information

The following wage and salary data for each program offered was obtained from the Employment Development Department Occupational Employment Statistics (www.labormarketinfo.edd.ca.gov):

<i>Emergency Medical Technicians</i>	County of Alameda As of				
Potential Job Title	Hourly			Salary	
	Low (25th percentile)	Median (50th percentile)	High (75th percentile)	Mean Annual Wage	
	\$11.96	\$15.19	\$21.17	\$31,578	
<i>The following job titles are not listed on the EDD website:</i>	Information Not Available				
• Fire Fighter First Responders					
• Flight Paramedics					
• Firefighters and EMTs
