

School Performance Fact Sheet

Sierra Massage School
1629 Pollasky, Suite 102, Clovis, CA 93612

Course: All massage courses

Completion Rate: 91%

This number is calculated by dividing the number of graduates who successfully completed the course within 150% of the total time allotted for the course by the number of students “available for graduation.” This is defined as all students who have enrolled in the course and have not died, been incarcerated, or been called to active duty. A completion rate of less than 100% may reflect students who have dropped the course, been expelled, failed to meet academic requirements, or have taken longer than 150% of the time allotted for the course, but have technically graduated (just late).

Placement Rate: 0% (Sierra Massage School graduates must find their own employment.)

This number is calculated by dividing the number of graduates employed in the massage field (information not collected by Sierra Massage School) by the number of graduates who are “available for employment.” This is defined as all students who have graduated and have not died, been incarcerated, or been called to active duty.

Sierra Massage School makes no express or implied claim about the salary that may be earned after completing the educational program.

The **Mean Hourly Wage** for the massage therapy industry (as reported by the California Employment Development Department) is **\$19.82**.
