

SCHOOL PERFORMANCE FACT SHEET

YEAR 2011

Before signing your enrollment agreement, California's Bureau for Private Postsecondary Education requires that you be given a catalog and a school Performance Fact Sheet, which you should review prior to signing this agreement. These documents contain school policies and performance data for this institution.

You are required to sign and date the information included in our School Performance Fact sheet, prior to signing your enrollment agreement.

- 1 a) California student course completion rate: 69%
- 1 b) Out of State student course completion rate: 100%
- 2 a) California certificates of completion / diplomas awarded: 10
- 2 b) Out of state diplomas awarded: 3
- 3 a) California Exam passage rate: 100%
- 3 b) Out of state program passage rate: 100%
- 4) Job placement rate: 65% started their own practice while the remainder work as independent contractors in an established business.
- 5) Earnings: Depending upon location across CA the average hourly rates vary between \$65.00 to \$90.00 per hour. Out of State graduates earnings are comparable.

I declare that I have received both the catalog and the School Performance Fact Sheet, and have signed and dated the School Performance Fact Sheet.
