

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2010 & 2011

Completion Rates***Vocational Nursing – 1560 hours, 60 weeks***

Calendar Year	Number of Students Who Began the Program ¹	Number of Students Available for Graduation ²	Number of Graduates ³	Completion Rate ⁴
2010	54	54	50	92.5%
2011	80	80	38	48%

¹"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²"Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

³"Graduates" is the number of students who completed the program within 100% of the published program length.

⁴"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

Students Completing After Published Program Length

Calendar Year	Number of Students Who Began the Program ¹	Number of Students Available for Graduation ²	150% Graduates	150% Completion Rate
2010	-	-	-	-
2011	80	80	22	28%

Placement Rates

Vocational Nursing – 1560 hours, 60 weeks

Calendar Year	Number of Students Who Began the Program ¹	Number of Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2010	54	50	23	35	71.4%	--	--
2011	80	38	33	8	24%	--	--

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

A graduate of the Vocational Nursing Program may be employed as a Licensed Vocational Nurse upon successfully passing the NCLEX-PN® exam. This person may serve patients and clients in many settings: hospitals, clinics, doctor’s offices, extended-care facilities, and other medical facilities. For information on graduation rates, median debt of graduates completing this program and other important information, visit www.vcmc.edu.

Initials: _____ Date: _____ I have read and understand the above placement information.

8399 Topanga Canyon Blvd, #200 * West Hills, CA 91304 * www.vcmc.edu

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Calendar Year	# Taking Exam ¹	# Who Passed First Exam ²	# Who Failed First Exam	Passage Rates ³
2010	15	10	5	66.6
2011	36	19	17	53

¹Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Initials: _____ Date: _____ I have read and understand the above passage rate information

Salary and Wage Information – Not Applicable

The institution nor representatives of the institution make any expressed or implied claim about the salary that may be earned after completing the educational program. (Reference: 94910(d) (1) Salary or wage information, as calculated pursuant to Article 16 (commencing with Section 94928), if the institution or a representative of the institution makes any express or implied claim about the salary that may be earned after completing the educational program.)

EDD Salary and Wage Information

The following wage and salary data for each program offered at Valley College of Medical Careers, West Hills, was obtained from the Employment Development Department's Occupational Employment Statistics (www.labormarketinfo.edd.ca.gov):

A graduate of the Pharmacy Technician Program may be employed as a licensed and certified entry-level pharmacy technician after successful completion of the program, passing the national certification exam, and obtaining a license. They will be qualified to work in most aspects of pharmacy under the supervision of a pharmacist. This person may serve in the pharmacy of a hospital or a retail store pharmacy. Graduates of this program may work directly under the supervision of a registered pharmacist. General duties include transcribing physician's orders; reading hospital charts; selecting drug products; preparing medications for dispensing, labeling, and refill authorization; and performing computer data entry for patient profile maintenance and procedures for acquiring all necessary information. Pharmacy technicians may assist in quality management and security measures. Pharmacy technician graduates may also work as medication techs.
