BARBER COURSE

There were 12 students scheduled to graduate the Barber Course in 2010, 12 did. Which gives a completion rate of 100%. Six (6) students took the California State Barber Exam, 4 (four) passed for 67% passing rate. Licensed barbers were employed within one month for a 100% placement rate.

A successful graduate working as a full-time Barber may expect to earn at least \$30,000 per year. Barbers can be paid on commission, the norm being 70% or Barbers can rent a chair and pay booth rent. We do not guarantee nor imply any set amount or whether the pay will be on a commission, an hourly rate or by chair rental. Borner's Barber College does not and cannot promise or guarantee employment nor level of income or wage to any student or graduate.

PHYSICAL DEMANDS

Barbering is a very stress-free career. Barbers work with little or no supervision. There is standing while working on a patron, with shoulder, arm and hand muscle movement.

SAFETY REQUIREMENTS

There are minimal safety risks with use of electrical clippers, sharp shears and straight razor. There is very little or no use of chemicals in Barbering. Such as hair tonic, hair cream, hair oil, hair color, chemical straighteners, and shampoo.

CALIFORNIA LICENSING REQUIREMENTS

Proof of High School Diploma or GED (10th Grade equivalency with a passing score on the ATB test), not less than 17 years of age at the time of State Board Exam. Valid government issued picture I.D., Social Security card, completion of required hours (1500 for Barber, 400 for Cosmetology Cross-over, and 400 for Refresher) and a passing score of 75% or better on the California State Barber Exams.

“NOTICE OF CONCERNING TRANSFERABILITY OF UNITS AND DEGREES EARNED”

Units earned in our Barber program in most cases will probably not be transferable to any other college or university. For example, if you enter our school as a freshman, you will still be a freshman if you enter another college or university at some time in the future even though you earned units here at our school. In addition, if you earn a degree, diploma, or certificate in our Barber program, in most cases it will probably not serve as a basis for obtaining a higher-level degree at another college or university.
