Mission Statement

The mission of ESLA is to provide quality English as a Second Language (ESL) instruction to immigrants and foreign students living in the Los Angeles and Orange County regions. The focus of the ESL instruction is to cultivate students' language proficiency for personal growth and development, academic studies, and professional pursuits.

ESLA distinguishes itself as a private educational institution that embraces a global community. Through the study of English as a Second Language (ESL), students from multicultural backgrounds share in the common experience of studying English and learning about American culture. ESLA reflects the diverse international community to an increasing extent in which we live, and meets the needs of the worldwide citizen.

The History of ESLA

ESLA was founded in 1996 for the purpose of providing quality ESL instruction to immigrants and foreign students living in the east of Los Angeles area. Due to the large number of immigrants establishing businesses in the region, initial emphasis was placed on preparing students to meet the language demands of the business community.

Recently, with a large number of immigrants having gained residency status, our facilities have been expanded and the program offerings now include GRE and TESOL in addition to ESL. All of our programs are constantly being updated to better serve the needs and interests of the students.

Our extensive contact with native and international students over the years has enabled us to design programs that suit individual needs and varying proficiencies.

We are approved to operate by the BPPE of California and the Department of Homeland Security's SEVP Department.

A: An F-1 Visa is a visa issued to students who wish to pursue full-time academic studies in the United States.

Q: How do I obtain an F-1 Visa?

A: To obtain an F-1 Student Visa, a student must first secure an I-20 Form from ESLA. After securing the I-20 Form, make an interview appointment at your U.S. Embassy or Consulate. Q: Is ESLA approved to issue I-20s?

A: We are authorized by the United States Department of Homeland Security to issue Certificates of Eligibility for Non Immigrant (F-1 & M-1) and Student Status (I-20 Form).

Q: How do I transfer to ESLA?

A: In order to transfer, your status must be current with the school you are attending. After notifying your school of your intent to transfer, you must submit the following documentation to our school:

A: All students are given a standardized diagnostic test to determine the appropriate level of instruction. Students are also given the opportunity to discuss classroom placement with the ESLA Head Teacher and staff and to sit-in on classes.

Q: How do I advance to a higher level?

A: Instructors recommend that a student progress when course objectives have been successfully completed. Students may take an assessment test to determine their proficiency at a specific level. Upon passing the test, the student may advance to the next level.

Facilities

All of ESLA's classrooms are fully equipped with the necessary technology and resources to provide an optimal environment for students to excel in their studies. A large flat-screen television connected to the internet can be found in each classroom to maximize the delivery of visual supplements to lessons. A computer lab provides students with access to an online library. ESLA also possesses a Language Theatre for students to complement their programs with listening and cultural enrichment.

Students have access to all school resources during the hours the school is in operation. The lounge provides students with opportunities to practice their English with each other and socialize.

ESLA is an ETS certified iBT TOEFL testing center allowing students to take the exam on campus via registration through ETS. With decades of experience, ESLA uses the most up-to-date textbooks and complementary materials compiled from years of offering successful programs.

Admissions Instructions for International Students

The transferability of credits you earn at ESLA is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the ESL program is also at the complete discretion of the institution you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution in which you seek to transfer, you may be required to repeat some or all of the coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending ESLA to determine if your certificate will transfer.

ESLA is authorized to issue I-20's, which enables foreign applicants to receive an F-1 student visa. A handling charge for this service will be assessed.

If students wish to transfer from another school to ESLA, they should bring their passport, I-94 card, a sufficient bank statement and I-20 from the previously attended school. I-20 Students must attend ESLA for a minimum of one quarter to be eligible for a transfer. Students who are in the US on a B-1 or B-2 visa that wish to change their visa status to F-1 may be admitted to ESLA and issued an I-20 if they meet school requirements. Students may commence studies upon receiving approval. However, ESLA does not guarantee issuance of an F-1 by the United States Customs and Immigration Services (USCIS).

Prospective students must:

- 1) Be at least 16 years of age.
- 2) Possess a valid visa, permanent residency, or U.S. citizenship.
- 3) Complete a personal interview and evaluation by an admissions representative.

Applicants are assessed on an individual basis to determine the prospective student's ability to successfully complete his/her course of study.

Immigration Definitions for Students

It is important that all students become familiar with the following terms as they are used frequently at ESLA. It is essential that you understand these definitions and how they apply to your stay in the United States.

F-1 Student Visa

ESLA is only allowed to grant documents for students admitted with F-1 visas. The F-1 visa is for students qualified to attend full time college, university, conservatory, academic high school and any institution with language-training programs in the United States. He/she should provide proof of sufficient, easily transferable funds to cover cost of living and tuition, and an application fee. The school must provide the student with a Form I-20 A-B. F -2 visas are given to spouse/children of an F -1 visa holder. For eligibility, they must possess a valid passport, show proof of sufficient funds to cover their stay, and must agree to depart the United States upon the termination of the foreign student's F-1.

Form I-20 (Certificate of Visa Eligibility for Nonimmigrant F-1 Student Status)

Students who have been admitted to a school in the United States, require a student visa to enter the U.S. for study, and have documented their ability to finance their education, will receive a Certificate of Visa Eligibility (Form I-20 for F-1 status) issued by the school through the internet-based Student and Exchange Visitor Information System (SEVIS). They should present this at a U.S. consulate (<http://usembassy.state.gov/>) abroad to certify eligibility to apply for an F-1 Student visa. This document, also known as a Visa Certificate, certifies eligibility to apply for an entry visa at a U.S. consulate abroad, and must be shown to a Department of Homeland Security (DHS) official at the time of entry into the U.S. in order to enter in student status.

When traveling outside the U.S., those in F-1 status must carry either an initial or recertified I-20 and financial documentation if they intend to return to the U.S. to continue their studies or practical training. The I-20 and its corresponding electronic updates in SEVIS are a permanent record of one's activities as a student in the U.S. It is your responsibility to keep all I-20's issued to you throughout your student status, no matter how long you stay in the U.S. or how many times you travel abroad. The initial I-20 used when you enter the country and stamped by the DHS is a very important immigration document. Make a copy of page 1 and page 3 to keep with your records.

SEVIS (Student and Exchange Visitor Information System)

SEVIS is a data collection and monitoring system that creates an interface between institutions of higher education, the Department of Homeland Security (DHS), consulates and embassies abroad, and ports of entry. Schools are required to make regular electronic updates in SEVIS throughout each semester on the records of their enrolled students in F-1 status and their dependents. These updates include, but are not limited to, enrollment status, changes in address, changes in level of study, employment recommendations, and school transfers.

Form I-94

This small white card is a record of your legal entry into the U.S. and immigration status. You complete it on a flight to the U.S. or at a border crossing, and it is then processed at a port of entry. An immigration inspector usually staples it into your passport. Form I-94 notes your name, date of birth, country of citizenship, and the date and port of entry of your arrival in the U.S. It also indicates how long you can stay in the United States. The notation D/S signifies "duration of status" and refers to the completion date on the certificate of visa eligibility (I-20). The Form I-94 is a record of your arrivals and departures. Each time you leave the country you surrender your I-94. Only in the case of short trips to Canada, Mexico, and parts of the Caribbean, do you keep this form. The I-94 is an important form; we recommend that you make two photocopies of both sides of the form, one to carry with you in your wallet and the other to keep separately in case you need to replace it.

Immigration Status

This is often confused with "visa" but your immigration status, e.g., F-1, B-2, J-1, etc., is determined at the time of your entry into the U.S. by an immigration official and is noted on the Form I-94. You may have many visa stamps in your passport but, upon entry into the U.S., an immigration inspector will admit you in only one immigration status which is noted on the I-94 card (see above). Be sure the correct status is written on your I-94 card. Unlike your entry visa, your immigration status may be changed in the U.S. Refer to the U.S. Department of State web site at <http://travel.state.gov/visa/tempvisitors.html> for more information.

Passport

Students in F-1 immigration status must keep their passports valid at least six months into the future at all times. You may obtain extensions of your passport through the nearest consulate or embassy of your country.

Entry Visa

Your entry visa is issued by a United States Consulate (<http://usembassy.state.gov/>) abroad and affixed into your passport. The only purpose of an entry visa is to apply for admission to the United States at the port of entry. The entry visa itself may expire while you are in the U.S., but your permission to stay in the U.S. remains valid. All international students requesting F-1 immigration status are required to have a valid F-1 entry visa stamp in their passport at the time of entry into the U.S. Your visa specifies the type of immigration status you will hold, the date until which you may enter the U.S., and the number of entries you may make before you must apply for a new entry visa stamp. The length of validity of each visa type is determined by an agreement between

your home country and the U.S. government and is not necessarily tied to the length of your program of study. Please refer to the State Department's [Visa Reciprocity](#) information on their website for more details. (<http://www.travel.state.gov/visa/reciprocity/index.htm>)

NOTE THAT AN ENTRY VISA MAY BE ISSUED UP TO 120 DAYS IN ADVANCE OF A PROGRAM'S "REPORT DATE", BUT YOU ARE NOT PERMITTED TO ENTER THE U.S. MORE THAN 30 DAYS IN AVANCE OF THE REPORT DATE IN SECTION 5 OF THE I-20.

F-1 entry visas cannot be obtained within the U.S. Application for a new stamp generally must be made in person at a U.S. consulate or embassy outside the U.S. The validity period of your visa does not determine the length of time you may remain in the U.S. after you enter. Your length of stay is determined by the expected completion date of your program as indicated on your I-20. You are admitted to the U.S. for "duration of status" in F. This is notated as "D/S" on your I-94 card. Refer to the [Duration & Extension of Stay in the U.S.](#) section of the U.S. Department of State's website for more information. (http://travel.state.gov/visa/temp/info/info_1298.html)

How To Obtain F-1 Status

This information is provided to help you get to ESLA in appropriate immigration status in compliance with the U.S. Department of State (DOS) and Department of Homeland Security (DHS) regulations. U.S. government regulations require you to attend the school that issued the I-20 you use to enter the U.S. in F-1 status.

Carefully read and follow these procedures:

1. Make an appointment at a U.S. Consulate to apply for an F-1 Student Entry Visa

(http://travel.state.gov/travel/tips/embassies/embassies_1214.html) You will require the I-20 form from ESLA at the time of your appointment. DO NOT MAKE AN APPOINTMENT UNTIL you have received the I-20 or are sure that you will have the I-20 in time for the appointment.

Check the following websites for more information on visa appointments.

http://travel.state.gov/visa/temp/wait/tempvisitors_wait.php for information about current wait times for the appointment and for visa issuance. NOTE that the processing wait times do not include extra time that may be required for security clearances.

Locate the nearest U.S. Consulate: www.usembassy.gov and follow its instructions for applying for a visa (including links to required forms). Make a list of documentation required for the interview. Note procedures for paying the visa application fee and any visa issuance fees, if applicable.

2. Check your form I-20 for completeness and correctness!

Your I-20 indicates that we have created a record for you in SEVIS (Student and Exchange Visitor Information System). Your unique assigned SEVIS ID number is in the upper right corner of page 1. Check to see that all information is correct and that your expected completion date is in the future. If you have informed us that your dependents (husband, wife, or children under the age of 21) will come with you to the U.S., each of them will receive their own "dependent" I-20 needed for applying for their F-2 visas and entering the U.S. in F-2 status. If your family name is different from your dependents, be prepared to show documents that prove your relationship.

3: Make sure your passport is valid.

When you apply for a visa or enter the U.S., your passport must be valid for at least 6 months into the future. Some countries are exempt from this requirement and have their passports automatically extended for 6 months which means that you can use your passport up until the

written expiration date. This rule applies to subsequent entries to the U.S. while traveling as a student. Refer to the [list of countries exempt from this rule](#).

(<http://foia.state.gov/masterdocs/09fam/0941104x1.pdf>)

4. Pay the SEVIS fee (\$200) and print the receipt.

Go to the web site <http://www.fmjfee.com> and follow the instructions. You will need the I-20 available because the SEVIS number is required. Print copies of the receipt - you will need one with you for the visa interview and you should keep one for your own records. You can only access the receipt at the time of payment so be sure your printer is working before paying the fee. Refer to information posted at <http://www.ice.gov/sevis/i901/faq.htm>.

5: Complete all required Department of State application forms.

DS-156 (<http://evisaforms.state.gov/>)

Everyone applying for a non-immigrant visa must complete this form. COMPLETE THIS ELECTRONIC FORM ON- LINE and take a printed copy with you to the interview.

DS-158: Contact Information and Work History. For all F and J applicants.

DS-157: Supplemental Non-Immigrant Visa Application Form. Required for male applicants between the ages of 16 and 45.

6. Refer to step one and follow instructions for paying any visa fees required in advance of your appointment.

Procedures may vary from country to country, and even post to post, within the same country. Note that application and issuance fees are often based on reciprocity between that country and the United States.

7. Bring a passport-size photo less than six months old.

8. Prepare for your interview appointment by learning what to expect.

You will be applying for an F-1 student visa, a non-immigrant classification. According to U.S. immigration law, "Every alien shall be presumed to be an immigrant until he establishes to the satisfaction of the consular officer, at the time of application for admission, that he is entitled to a non-immigrant status." This means you need to establish that you have no intention of staying in the U.S. permanently, but are coming here for a temporary purpose, i.e. to pursue your education. While the consular officers are aware that it may be difficult for students to demonstrate strong professional and economic ties to their home countries, you should still bear this in mind as you prepare for your interview.

In advance of your interview, please read the following: Obtaining a U.S. Visa: Published by Dept of State <http://www.unitedstatesvisas.gov/pdfs/gettingavisa.02.03.pdf>

9. *Checklist of what to take with you to your visa interview:*

- _____ A passport valid for at least six months
- _____ Form I-20 (sign the form under Item 11)
- _____ School admission letter
- _____ Completed visa applications (DS-156, DS-158, and, if applicable, DS-157) Remember to complete the DS-156 electronically and take a printed copy with you. Consulates have advised that the electronic version will speed up the process.
- _____ A photograph in the prescribed format (see Step 7)
- _____ A receipt for the visa application fee
- _____ A receipt for the SEVIS fee. If you have not received an official receipt in the mail showing payment and you paid the fee electronically, the consulate will accept the temporary receipt you printed from your computer. If you do not have a receipt, the consulate may be able to see your payment electronically if your fee payment was processed at least 3 business days before your interview.
- _____ Financial evidence that shows you have sufficient funds to cover your tuition and living expenses during the period you intend to study.
- _____ Any information that demonstrates your intention to return to your home country after finishing your studies in the U.S. This may include proof of property, family, or other ties to your community.

10. *After the visa is processed, make sure you got what you requested!*

Check your passport to be sure you obtained an F-1 visa, and that any dependents obtained an F-2 visa. Also, be certain that the I-20 was returned to you as you must have the original with you when you arrive in the United States. Sometimes the document is returned to you in a sealed envelope, which must be presented to the immigration inspector when you arrive.

Arrival at a U.S. Port of Entry

Carry your ORIGINAL documents on your person or in a carry-on bag rather than packed in your luggage. You will have to present them to the immigration inspector upon your arrival, and you won't have access to your luggage until *after* you go through immigration inspection.

Your documents may include:

- valid, unexpired, passport (for at least six months into the future) with a valid, unexpired entry visa
- your I-20 visa certificate, signed by the school and by you
- original supporting financial documents, such as personal bank statements, a financial aid award or an offer letter from your department
- marriage license, school transcripts, medical records if applicable

Immigration Inspection

On the plane, a flight attendant will distribute the I-94 Arrival /Departure form to non-immigrants. You should complete the **white** form, NOT the green form that is for tourists from certain countries who are eligible for a 90-day visit without a visa.

Upon arrival, you will go first to immigration inspection. The immigration inspector will need to see the appropriate visa page in your passport and the appropriate supporting documents:

- your passport with an F-1 entry visa with ESLA noted on it (if it is your initial entry in F-1 status)
- form I-20, signed by both a Designated School Official (DSO) and you, and the I-94 form that you completed on the plane.
- funding documents available if requested
- inspector will keep part of the I-94 Arrival/Departure form, return the bottom portion to you, and add a written notation "admitted as F-1 for D/S"
- form I-20 should get stamped in red ink

Dependents

If you are coming with your spouse and/or children, then the same attentiveness to how their admission is processed applies. Dependents of F-1 students should enter as "F-2 for D/S".

Document Processing – Update of SEVIS Record

In addition to processing the I-94 card, the Department of Homeland Security (DHS) will access the SEVIS student record that corresponds to your unique SEVIS ID number and update the record with information on your entry. ESLA is notified electronically of your arrival through your SEVIS record.

BE PREPARED!

It is to your advantage to know what to expect and to be mindful of what occurs at the port of entry. Immigration inspectors see many people in the course of a day, and mistakes can be made. Some inspectors may be less familiar with student documents than others. Having your documents processed properly at the time you arrive is extremely important.

The I-94 card does not appear significant, but is the most important immigration document you will possess.

It is the only document with a record of the *status* in which you were admitted to the United States, the date on which you entered, and at which port of entry. The I-94 is an important form. We recommend that you make two photocopies of both sides of the form; one to carry with you in your wallet, and the other to keep separately in case you need to replace it.

Often, the immigration officer will staple it into your passport. Be aware that if you don't get a red immigration stamp on your I-20, it may present difficulties when applying for a Social Security number (SSN) or a NC State driver's license.

Maintaining Lawful Student Status

Under United States immigration law, it is your personal responsibility to maintain lawful F-1 student status. By following the guidelines listed below, you should be able to maintain student status. It is your responsibility to maintain your legal status.

1. Keep an unexpired passport valid for at least 6 months into the future.

Contact your country's consulate for instructions if you need to extend your passport while in the U.S.

2. Notify ESLA of your address when you arrive and any time you change addresses.

Upon your *initial* arrival in the U.S. to study at ESLA, you must notify us of your local address in person. ESLA will update your address electronically in the SEVIS record.

3. Maintain full-time enrollment and normal, full-time progress toward your degree or certificate.

You are expected to maintain registration and make academic progress. If you are enrolled at ESLA for more than one academic year, you are ordinarily permitted an annual vacation period, during which time you are not required to register for courses. Only one vacation period per year is permitted and for most programs, this takes place during the summer semester.

4. Obtain PRIOR authorization from ESLA (if eligible) BEFORE dropping below a course of study.

There are very limited exceptions to the enrollment requirement, so you must consult ESLA in advance of any drop in course or you will be in violation of your status.

5. Do not accept any employment, either on- or off-campus, without written permission from ESLA and, if necessary, authorization from the Department of Homeland Security (DHS).

Working without proper authorization is considered by the DHS as the most serious violation of its regulations. If you refer to your form I-94 card, you will see the statement, "Warning: a nonimmigrant who accepts unauthorized employment is subject to deportation." It is most important, therefore, that you consult with ESLA before you accept an offer of employment or begin to work.

6. Make timely transfers if you enroll at ESLA after attending another school in the U.S

DHS regulations specify that you must use the Visa Certificate of Eligibility (I-20) issued by the school you are attending (or plan to attend) when entering the U.S. Consequently, make sure that you use ESLA's Certificate of Eligibility. You are required to report to ESLA shortly after your arrival.

7. Obtain extensions, as needed, of your permission to stay in the U.S. before your Certificate of Eligibility (Form I-20) expires.

If you have valid academic or health reasons for requiring more time to complete your program than that which is authorized on the ESLA I-20, you must request an extension through ESLA. Notify ESLA as soon as you know that you will need an extension and at least 30 days before the completion date noted on your I-20 in order to have enough time to obtain any necessary documents.

If you require an extension because you will be starting a new program at ESLA, you must apply for a new I-20 to begin a new program within 60 days of the completion of the first program.

8. Once you have completed your studies that are authorized, you must leave the U.S. or change to another immigration status within the appropriate time allowed.

This means that you are allowed to stay for the period of time to complete a program of study and a grace period. Those in F-1 status have a 60 day grace period in which to depart the U.S. or change to another status.

9. Carry a copy of your I-94 card with you at all times.

When traveling outside the Los Angeles and Orange County areas, you should bring the original I-94 card, I-20, and passport with you.

10. If applicable, comply with Special Registration Procedures- Certain Foreign Nationals.

Since September 11, 2002, certain non-immigrants are required to be fingerprinted and photographed at U.S. ports of entry. Special Registrants are also subject to departure procedures from ports of entry specifically designated for departure control. Currently, the published registration rule applies without exception to nationals or citizens of Iran, Iraq, Libya, Syria and Sudan. This list is subject to change at any time, and registration may be required of any non-immigrants of any nationality who are deemed by a consular officer or inspections officer to require closer monitoring. If you undergo Special Registration when you arrive, failure to comply with exit requirements has severe consequences.

Grading Method

The following is the grading scale used for the majority of ESLA's courses.

Grade A	90%-100%	Excellent
Grade B	80%-89%	Good
Grade C	70%-79%	Satisfactory
Grade D	60%-69%	Unsatisfactory
Grade F	Below 60%	Fail
Grade I		Incomplete
Grade W		Withdrawal

All grades shall reflect the results of quizzes, participation, written examinations and performance exams given by ESLA.

Graduation Requirements

Graduating students must have a minimum grade point average (GPA) of 70% (C) or better, maintain an attendance ratio of at least 80%, fulfill all other stated requirements, and be in good financial standing.

Upon graduation, students completing all requirements of full courses of study will be awarded a Certificate of Completion.

Termination of Candidacy

ESLA reserves the right to terminate any student whose attendance, academic performance, financial standing, or personal behavior does not comply with ESLA standards, regulations, and rules. Students who are terminated from ESLA will receive written notification.

Appeals Process

If a student wishes to appeal termination due to unsatisfactory progress, attendance, or behavior, the student may make a written appeal to the Director. A committee of the Instructor, Head Teacher, and the Campus Director will consider the appeal. Students should receive a response within a 10-day time period.

Attendance Policy

Absences

Students are expected to attend all courses. ESLA staff will monitor absences and tardiness.

In addition, students who fail to meet the overall 80% attendance requirement will be given a warning letter. Students continuing to not meet the 80% attendance requirement during the probationary period will be given a final warning letter and may be terminated from the program.

Tardiness/Early Departure

Three recorded tardies or early departures equal one (1) absence. Entry into the classroom fifteen minutes after the class start time constitutes a tardy. Leaving class more than fifteen minutes early constitutes an early departure.

Leave of Absence/Vacation

Students must provide a written request for a leave of absence to the Administrative Staff. The leave of absence may not exceed 30 days. Under exceptional circumstances a leave of 60 days may be granted. In order to be eligible for vacation, students need to be in good academic standing. Our vacation policy allows students to take time off without having the missed days be counted as absences.

A student must receive approval from the administration and must fulfill the following requirements:

- Be in good academic standing and meet 80% attendance requirement.
- Maintain valid F-1 Status.
- Fulfill any outstanding financial obligations.
- Submit, in writing, a formal notification to take Leave of Absence/Vacation.

Makeup Work

At the discretion of the instructor, students may be given the opportunity to repeat or make up incomplete assignments.

Transcripts and Records

Complete copies of records, reports, and grades shall be retained in the Academic Records File. Students' records are confidential and only those agencies or individuals authorized by law are allowed access without written permission from the student. Students receive a copy of their records upon graduation. Additional copies may be obtained by filling out a transcript request form and submitting it to the Administrative Staff.

State law requires that school and student records be maintained for a period of five years.

Personal Conduct

Students attending ESLA are expected to act with courtesy and consideration toward all instructors, staff, students, and visitors at ALL TIMES. Students are expected to observe and display proper decorum. Improper conduct including but not limited to, possession of alcohol, drugs or a weapon, fighting, harassment, etc., shall not be tolerated and will be cause for termination. All cases will be brought before a panel consisting of the Director, Campus Director, and any staff relevant to the case. If a student is found to be at-fault by consensus, he or she will be terminated immediately.

STUDENT SERVICES

ESLA provides a wide variety of student services. The staff is highly knowledgeable and always willing to assist students with visa matters, transportation, banking, insurance, driver's licenses, and recreation.

If a student requires assistance in locating housing within the area, ESLA can refer the individual to agents that specialize in finding host families willing to rent out rooms. Rooms range from \$400 to \$600 per month. The rate for homes that provide food as well as transportation is typically between \$800 to \$1,600 per month.

Class field trips to local museums, amusement parks, and social events expose students to different aspects of American culture and allow them to practice language skills learned in the classroom in real-life situations.

Case Management Program

The school is aware of situations which may arise to create learning problems for students. We provide the necessary supportive environment and assistance to enable every student to continue their studies to the best of their abilities. ESLA's Student Case Management Program is run by the Head Teacher and provides students with whatever support is needed to address student academic and behavior concerns. During the course of the program, the student and Head Teacher meet to develop and implement a corrective action plan. Other staff and instructors are included in the plan as needed. Teachers and staff may refer students and students may self-refer themselves to the program by contacting the Head Teacher.

Student Grievance

Students wishing to file a complaint should first try to resolve the issue through ESLA's Student Case Management Program. If doing so does not adequately satisfy the concern, students may do so in one of two ways. Complaints may be registered on student critique forms available in the student lounge. They can be submitted anonymously to Student Services. Complaints that are not resolved by the Student Services office will be directed to the School Director.

If any complaints, questions, or problems cannot be worked out with ESLA, write:

***Bureau for Private Postsecondary Education
2535 Capitol Oaks Drive, Suite 400
Sacramento, CA 95833***

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's web site www.bppe.ca.gov.

Housing

ESLA works with Student International Housing (SIH) to offer students housing. SIH will help you find a friendly family to make your stay in Southern California unforgettable. ESLA partners with SIH to match students and families according to requests and personalities. The home-stay is a month to month agreement with an option to extend longer if both the student and host family are in agreement. For more information, ask ESLA for an application.

Basic Amenities

Once you have arrived, you can decide what items will make your stay more comfortable and home-like. There are several large stores in the Los Angeles and Orange County regions where you can buy needed items at a reasonable price. Items can be purchased in person or online.

Target – www.target.com

Walmart – www.walmart.com

JC Penney – www.jcpenney.com

Craig's List is a website that lists classified ads for a wide variety of items including used furniture, electronic equipment, cars, etc. It has been a helpful source to many people.
www.craigslist.org

Clothing

Southern California has a mild climate. Newcomers to Southern California enjoy its mild winters and moderate to warm year-round climate. January is the coldest month of the year, with an average temperature of 58° F. (14° C.) August is the hottest month, with an average temperature of 84° F (73° C.) You will need to bring clothing appropriate for this climate.

Banking in the United States

There are many banks to choose from in Southern California. Among the largest banks with the most branches are Bank of America and Wells Fargo. In order to open an account at a U.S. bank you will need either a passport or a Social Security card.

Checking Account & ATM/Debit Card

Most students end up opening a checking account when they arrive in the U.S. With this type of account you are able to deposit and withdraw funds directly from your account. You can withdraw funds from your account either by

- Writing a paper check for a designated amount to pay for goods or services
- Use an ATM/Debit card

Checking

Most banks charge a nominal monthly service fee for most checking accounts. The fee varies according to the type of account. You will need to speak to a bank official to determine which type of account best fits your needs.

If you write a check and don't have enough funds in your account to cover the amount of the check, you will be charged an expensive service fee for a "returned" check. You may avoid this by opening an account that has "overdrawn" protection.

You should keep careful track of all your financial transactions to avoid any unnecessary fees or fines. If you lose your check book, you should notify the bank immediately. **ATM/Debit Card**

With an ATM/Debit card you can make cash withdrawals from an automated teller machine (ATM). If you make a withdrawal from an ATM that is not affiliated with your bank, you will probably be charged a small fee. If you lose your ATM/Debit card, you should report it immediately to your bank. If the loss is reported to the bank within 24 hours, you will only be responsible for an amount that shall not exceed \$50 of the total amount that occurs due to fraudulent use. When you apply for an ATM/Debit card, you will be assigned or asked to choose a personal identification number (PIN). Do not choose one that is normally found in your wallet, i.e. your birthday.

Credit Cards

Most students discover that it is not long before they begin to receive solicitations from credit card companies in the mail. If you have no credit history in the U.S. and you apply for a card for which you have not been pre-approved, you might be denied. Don't be discouraged as most students are eventually able to obtain a card after several applications and phone calls. A credit card can be a very convenient thing to own but you should keep in mind:

- You will need a Social Security number to be eligible to apply for most credit cards.
- There is a large fee for late payment of your monthly bill.
- Shop around and look for a credit card that offers the best financial terms for your personal needs.
- Don't use a credit card to live beyond your means. Annual interest rates charged by most credit card companies exceed 19%. Try to pay off the entire bill each month to avoid finance charges.
- It is generally considered safe to use your credit card to make purchases over the Internet as long as you are dealing with an established merchant that uses recognized encryption software. (Look for a closed lock at the top of the page.)
- Any loss or theft of your card should be reported immediately to the credit card company.

Transportation

Public Transportation

Los Angeles and Orange Counties have limited public transportation systems. Please refer to the following links for more information:

LA Metro – www.metro.net/

Orange County Transportation Authority- www.octa.net/

Metro Link – www.metrolinktrains.com

Bicycles

If you decide to bike, please be careful! American drivers are not used to sharing the road with cyclists. Always wear a helmet and assume that the drivers of cars do not see you. Lock your bike up, as they are easy to steal. And remember that as a cyclist, you must follow the same traffic laws that cars do.

Personal Vehicle

If you decide to purchase a car while you are in the United States, there are a few things that you need to keep in mind.

- You must have a driver's license to drive a car. A license from your country is usually acceptable, but remember that police officers are not used to seeing them. Make sure your country has a driving agreement with the United States before you use your home-country license.
- You must have proof of car insurance, even if you do not have a car. If you do not have a car you will purchase a "Non-owner's policy". When you purchase a car, you must call your insurance company immediately to inform them of the change. There are many companies in Southern California that sell car insurance. Among the most popular are Allstate, State Farm, and AAA. Check with fellow students and staff for recommendations.
- Make sure you are comfortable driving. Just because you passed the road portion of the driving test does not mean that you are ready for the interstates and highways. Practice in areas with less traffic first. Ask a friend to ride with you for support and advice.
- Make sure your car is roadworthy! Buying a car that is falling apart or in any way unsafe should be avoided at all costs!
- It is against the law to drink alcohol prior to driving a car. Do not drink and drive.

- If you see a police car behind you with the lights flashing, pull over immediately. Stay in the car and keep your hands on the wheel unless otherwise directed by the police officer.

How to Find a Car

You will probably be looking for a used vehicle rather than a new car. Ads for used cars can be found on www.craigslist.org. The local newspapers often have a special section on vehicles also. All new car dealers also carry used vehicles, although their prices tend to be higher. There are also dealers that carry only used cars.

A word of advice – Have any used car you want to purchase inspected by a qualified mechanic before you buy it. Most of the larger gas stations have reputable mechanics. Again, ask for recommendations for car dealers and mechanics from fellow students, faculty and staff.

California Driver's License

Provided below is a summary of what you will need to obtain a California driver's license. Please also refer to the California Department of Motor Vehicles (DMV) website for more information:

www.dmv.ca.gov/

Before you are eligible to receive a California driver's license, you will need to have one of the following:

1. Social Security Card
2. Individual Tax Identification Number (ITIN)
3. Valid visa and I-20 and a letter from ESLA.
4. Proof of identification
5. Proof of residency
6. Proof of insurance
7. Payment of fees.

There are two tests that must be taken for drivers applying for a license for the first time. One is a road test which includes you driving with a Department of Motor Vehicles' Instructor. The second is a written test that proves you understand basic road rules and safety regulations. A study guide for the written test can be found online at the DMV website.

Cancelation, Withdrawal, and Refund Policy

- (1) ESLA will advise each student that a notice of cancellation will be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not limited to, a student's lack of attendance.
- (2) ESLA shall refund 100% of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed \$100 if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.
- (3) ESLA shall have a refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance. The refund policy of students who have completed 60% or less of the period of attendance shall be a pro-rated refund. Pro-rated refunds will be calculated on a weekly basis.

When determining the number of weeks, ESLA will consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week. A student who has completed over 60% of the period of attendance is not eligible for a refund.

Refund Due Dates

- (1) If an applicant does not attend class or cancels prior to the class start date, all refunds due will be made within 45 days of the first scheduled day of class or the date of cancellation, whichever is earlier.
- (2) For an enrolled student, the refund due will be calculated using the last date of attendance and be paid within 45 calendar days within the date of determination. The date of determination is the date the student gives written notice of withdrawal to ESLA or the date ESLA terminates the student due to the student's failure to adhere to ESLA's attendance, conduct, or student progress policy.

Case Specific Cancellation Policies

- (1) Rejection of Applicant: If an applicant is rejected, or if a prospective student has a visa application rejected, a full refund of all monies paid, less non-refundable charges, will be made.
- (2) Program Cancellation: If ESLA cancels a program subsequent to a student's enrollment, ESLA will refund all monies paid by the student.
- (3) Cancellation Prior to Start of Class or No Show: If an accepted applicant enters the United States on an I-20 and subsequently cancels prior to the start of scheduled classes, or never attends class (no show), ESLA may retain:

For a program of less than 12 weeks: all tuition charges up to 4 weeks of term/session and a maximum of \$140 non-refundable charges.

For a program more than 12 weeks: all tuition charges up to 4 weeks of term/session and a maximum of \$140 non-refundable charges.

Miscellaneous Policies

- (1) *Students that have received an I-20 from ESLA must enroll for a minimum of one quarter.*
- (2) *ESLA may not bill for a period in excess of 12 month increments. Refund calculations apply to the current term at the time of withdrawal.*
- (3) *If an authorized overseas agent for recruiting students is used, ESLA must inform the student of its contractual relationship with the agent and how that relationship will affect the ability of the student to obtain a refund. In addition, ESLA must document that the refund has been made on behalf of the student to the agent.*

School Closure

If ESLA closes before a student graduates, s/he may be entitled to a refund. Contact the Bureau for Private Postsecondary Education if ESLA cannot satisfactorily resolve your case.

State of California Tuition Recovery Fund

§ 76020. Student Tuition Recovery Fund (STRF).

(a) The fund exists to relieve or mitigate economic losses suffered by a student in an educational program as defined in section 94837 of the Code at a qualifying institution, who is or was a California resident or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, paid the assessment, and suffered loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

§ 76120. Amount of STRF Assessment

(a) Each qualifying institution shall collect an assessment of two dollars and fifty cents (\$2.50) per one thousand dollars (\$1,000) of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of one thousand dollars (\$1,000) or less, the assessment is two dollars and fifty cents (\$2.50).

(b) Unless a student has a separate agreement to repay the third party, a student whose costs are paid to the institution by third-party payer shall not pay the STRF assessment to the qualifying institution.

(c) Except when an institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, the assessment is non-refundable

To be eligible for STRF, a student must be a resident of California and reside in California at the time the enrollment agreement is signed. Students who are temporarily residing in the State of California for the sole purpose of pursuing education, specifically those who hold student visas, are not considered California residents.

A student must apply for an STRF refund within two years of receiving notice from the BPPE that the institution has closed. If notice is not received from the Bureau, a student has four years from the closing date to file an STRF application.

It is important that you keep a copy of all enrollment agreements, contracts, or applications to document enrollment; as well as tuition receipts, or canceled checks, to document the amount of tuition paid. Such information may assist a claim for reimbursement from the STRF.

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897.

Academic Programs

ESL Program

Our ESL program is based upon a comprehensive curriculum that emphasizes active student engagement in the four areas of language development: listening, speaking, reading and writing. The program is comprised of 7 levels. ESL Courses 1-7 are carefully structured to maximize learning and focus on the needs of the English Language Learner (ELL) at every stage of language development.
