2010*	N/A	N/A	N/A	N/A
2011	54	52	30	58%

*This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

1“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

3“Graduates” is the number of students who completed the program within 100% of the published program length.

4“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

5“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

6“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

2010	652	633	215	34%
2011	610	605	110	18%

1“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

3“Graduates” is the number of students who completed the program within 100% of the published program length.

4“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

5“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

6“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

2010	52	52	6	13%
2011	74	72	21	29%

1“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

3“Graduates” is the number of students who completed the program within 100% of the published program length.

4“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

5“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

6“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

Placement Rates

COMPUTERIZED ACCOUNTING DIPLOMA PROGRAM—36 WEEKS

CALENDAR YEAR	NUMBER OF STUDENTS WHO BEGAN PROGRAM ¹	NUMBER OF GRADUATES ²	GRADUATES AVAILABLE FOR EMPLOYMENT ³	GRADUATES EMPLOYED IN THE FIELD ⁴	PLACEMENT RATE EMPLOYED IN FIELD ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field an average of at least 32 hours per week
2010	52	52	39	32	82%	NA	NA
2011	74	40	35	28	80%	4	24

1“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

3“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

4“Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

5“Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date: _____ I have read and understand the above placement information.

Licensure Rates License Examination Passage Rates (not continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

COMPUTERIZED ACCOUNTING DIPLOMA PROGRAM—36 WEEKS

EXAM DATE	# TAKING EXAM ¹	# WHO PASSED EXAM	# WHO FAILED EXAM	PASSAGE RATE
N/A	NA	NA	NA	NA

1“Number of Students Taking Exam” is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

2“Exam Date” is the date for the first available exam after the students completed the program.

3“Passage Rate” is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.
