**PERFORMANCE FACT SHEET
REPORTING YEAR 2011**

Computer Applications Specialist

Completion

<u>Number of Certificates Awarded:</u>	0
(The number of students receiving a certificate for this program during the reporting year.)	
<u>Number of Students Who Began the Program:</u>	0
(The number of students who began the program who are scheduled to complete the program in the year being reported.)	
<u>Students Available for Graduation:</u>	0
(The number of students available for graduation for the program being reported; i.e., the number of students who began the program minus the number of students who have died, been incarcerated or been called to active military duty.)	
<u>Graduates:</u>	0
(The number of students who completed the program within 100% of the published program period within the calendar year begin reported.)	
<u>Completion Rate:</u>	0
(The number of graduates divided by the number of students available for graduation.)	

Placement

<u>Graduates Available for Employment:</u>	0
(The number of graduates minus the graduates that either died, became incarcerated, were called in to active military duty, were international students that left the United States or did not have a visa allowing employment in the United States or, are continuing their education in an accredited or Bureau-approved postsecondary institution.)	
<u>Graduates Employed in the Field:</u>	0
(The number of graduates available for employment who are gainfully employed within 6 months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position who have reported their employment to the institution.)	
<u>Placement Rate:</u>	0
(The number of graduates employed in the field divided by the number of graduates available for employment.)	
<u>Graduates employed in the field an average of less than 32 hours per week:</u>	0 Unknown
(The number of graduates employed an average of less than 32 hours per week. For the reporting year this information may be unknown.)	
<u>Graduates employed in the field an average of at or over 32 hours per week:</u>	0 Unknown
(The number of graduates employed an average of 32 or more hours per week. For the reporting year this information may be unknown.)

**PERFORMANCE FACT SHEET
REPORTING YEAR 2011**

Manufacturing Technician

Completion

- Number of Certificates Awarded:** 0
(The number of students receiving a certificate for this program during the reporting year.)
- Number of Students Who Began the Program:** 0
(The number of students who began the program who are scheduled to complete the program in the year being reported.)
- Students Available for Graduation:** 0
(The number of students available for graduation for the program being reported; i.e., the number of students who began the program minus the number of students who have died, been incarcerated or been called to active military duty.)
- Graduates:** 0
(The number of students who completed the program within 100% of the published program period within the calendar year begin reported.)
- Completion Rate:** 0
(The number of graduates divided by the number of students available for graduation.)

Placement

- Graduates Available for Employment:** 0
(The number of graduates minus the graduates that either died, became incarcerated, were called in to active military duty, were international students that left the United States or did not have a visa allowing employment in the United States or, are continuing their education in an accredited or Bureau-approved postsecondary institution.)
- Graduates Employed in the Field:** 0
(The number of graduates available for employment who are gainfully employed within 6 months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position who have reported their employment to the institution.)
- Placement Rate:** 0
(The number of graduates employed in the field divided by the number of graduates available for employment.)
- Graduates employed in the field an average of less than 32 hours per week:** 0 Unknown
(The number of graduates employed an average of less than 32 hours per week. For the reporting year this information may be unknown.)
- Graduates employed in the field an average of at or over 32 hours per week:** 0 Unknown
(The number of graduates employed an average of 32 or more hours per week. For the reporting year this information may be unknown.)

Additional data may be obtained from the State of California Employment Development Department's Occupational Employment Statistics website: <http://www.labormarketinfo.edd.ca.gov/>

To obtain additional data (list of employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates, and/or list of objective sources of information used to substantiate the salary disclosure), contact the School Director at 224 E. Olive Ave, Suite 218, Burbank, CA 91502, Tel. 818-246-4648.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to:
