3) Licensing/License Examination Passage Rates:

No state licensure is required for massage therapists in California. However, massage therapists are usually required to obtain a license in the city they want to work in. Massage therapists may also obtain a voluntary state certification from the California Massage Therapy Council that will allow them to work throughout the state of California. Prior to enrollment, all massage students are advised about the requirements needed to obtain city massage licenses or a voluntary state massage certification.

Please be advised that if you have been convicted of a felony, you should contact the appropriate licensing organization and inquire about your eligibility for licensing.
