Completion Rates (includes data for the two calendar years prior to reporting)

Calendar Year	# of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2011	55	59	55	93%
2010	46	25	25	100%

¹ "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

³ "Graduates" is the number of students who have completed the program within 100% of the published program length.

⁴ Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

Placement Rates

Calendar Year	# of Students Who Began Program ¹	Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate of an average of less than 32 hours per week ⁵	Placement Rate of an average of at or over 32 hours per week
