

PERFORMANCE FACT SHEET

SITE: **Central Valley Opportunity Center**
 CLASS: ***Welding and Industrial Maintenance***

The Bureau of Private Postsecondary Education requires that institutions preparing students for a particular vocational field shall provide prospective students with a school performance fact sheet. The following performance for Welding and Industrial Maintenance is for the past two calendar years 2010 and 2011.

Completion Rates (includes data for two calendar years prior to reporting)
 Welding and Industrial Maintenance (770 Hours)

Calendar Year	Number of Students Who Began Program (1)	Students Available For Graduation (2)	Graduates (3)	Completion Rate (4)
2010	89	88	60	68%
2011	82	82	55	67%

- (1) "Number of Students Who Began Program" is the number of students who began the programs who are scheduled to complete the program within the reporting calendar year.
 (2) "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation" which means those students who have died, been incarcerated, or have been called to active military duty.
 (3) "Graduates" is the number of students who completed the program within 100% of the published program length.
 (4) "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

Placement Rates (includes data for two calendar years prior to reporting)
 Welding and Industrial Maintenance (770 Hours)

Calendar Year	Number of Students Who Began Program (1)	Number of Graduates (2)	Graduates Available for Employment (3)	Graduates Employed in the field (4)	Placement Rate % Employed in the field.(5)	Graduates Employed in the field. An average of less than 32 hours per week	Graduates Employed in the field. An average of more than 32 hours per week
2010	88	60	55	28	51%	0	28
2011	82	55	55	27	49%	0	27

- (1) "Number of Students Who Began Program" is the number of students who began the programs who are scheduled to complete the program within the reporting calendar year.
- (2) "Number of Graduates" is the number of students who completed the program within 100% of the published program length.
- (3) "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- (4) "Graduate employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate obtaining the position.
- (5) "Placement Rate" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Salary and Wage Information (includes data for two calendar years prior to reporting)
Welding and Industrial Maintenance (770 Hours)

Annual Salary and Wages Reported Graduates Employed in the Field

Calendar Year	Graduates Available for Employment (1)	Graduates Employed in the field (2)	\$0,000. \$10,000.	\$10,001. \$15,000.	\$15,001. \$20,000.	\$20,001. \$25,000.	\$25,001. \$30,000.	\$30,001. \$45,000. +
2010	55	28	0	0	6	18	2	2
2011	55	27	0	0	5	14	2	6

Note: CVOC makes no claim as to the expected starting wages or salaries of students.

- (1) "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- (2) "Graduate employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate obtaining the position.
