**Cohort End Date**

**Completion Information:**

If there is an X before the Program Name it means that the program is new and there is no data for that program. Therefore, the numbers of students who graduate, the number of students who are placed in jobs, the starting salary after finishing the checked program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but they are not equivalent to actual performance data. This will apply to each table in this document.

**Certification, Registration, and other Authorizations:**

The program of study you are interested in pursuing may require either mandatory or voluntary Certification, Registration, or other types of Authorization to become employed or to enhance your employment potential. The information for the program of study you wish to pursue will be listed in the school catalog. Be sure to ask the Admissions Representative, or other school official, if your program of study requires you to pass either a mandatory or voluntary certification examination. Ask if the school’s curriculum is sufficient to, or has been approved by the agency that administers the certification examination. Ask your Admissions Representative if there are any local, county, or state registration requirements you must meet to enter the career field you are interested in pursuing. Ask your Admissions Representative where the information for Certification, Registration, or other Authorizations can be found. Ask your Admissions Representative if your field of study will require a background check, a physical examination, and/or proof of immunization as a condition of employment.
