

SCHOOL PERFORMANCE FACT SHEET
Calendar Years 2010 and 2011

Business Administration (Associate) - 17 months

Student Initial _____

Students Completing Within Published Program Length – On Time Completion Rate

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	On Time Completion rate ⁴
2010	**	**	**	**
2011	**	**	**	**

¹ “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³ “Graduates” is the number of students who completed the program within 100% of the published program length.

⁴ “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Placement Rates

Student Initial _____

Calendar Year	Number of Graduates ¹	Graduates Available for Employment ²	Graduates Employed in the Field ³	Placement Rate Employed in the Field ⁴	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2010	**	**	**	**	**	**
2011	**	**	**	**	**	**

¹ “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

² “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

³ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁴ Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Salary and Wage Information

Student Initial _____

Calendar Year	Graduates Available for Employment ¹	Graduates Employed in the Field ²	Annual Salary and Wage Reported Graduates Employed in the Field							Students Not Reporting Salary ³
			\$15,000-\$20,000	\$20,001-\$25,000	\$25,001-\$30,000	\$30,001-\$35,000	\$35,001-\$40,000	\$40,001-\$45,000	\$45,001+	
2010	**	**	**	**	**	**	**	**	**	**
2011	**	**	**	**	**	**	**	**	**	**
Current State Average Salary Information from California Employment Development Department - \$111,247										

¹ “Graduates available for employment” means the total number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is as reported by the student. Not all graduates reported salary.

Current State Average Salary Information from California Employment Development Department - \$119,787										

¹ “Graduates available for employment” means the total number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is as reported by the student. Not all graduates reported salary.

* Source: EDD/LMID Occupational Employment Statistics Survey at www.labormarketinfo.edd.ca.gov/?PageID=1009.

** This program is new and, therefore, has no data.

Wages do not reflect self-employment. Students can access a listing of employment opportunities in their field, and information on objective sources supporting the salaries disclosed, by visiting Career Services on campus.

This fact sheet will be filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818, West Sacramento, CA 95798, calling 1-888-370-7589 or www.bppe.ca.gov.

I, the undersigned, reviewed this Fact Sheet prior to enrollment. I have discussed the information with my admissions representative and understand the information provided herein.

¹ “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³ “Graduates” is the number of students who completed the program within 100% of the published program length.

⁴ “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Placement Rates

Student Initial _____

Calendar Year	Number of Graduates ¹	Graduates Available for Employment ²	Graduates Employed in the Field ³	Placement Rate Employed in the Field ⁴	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2010	**	**	**	**	**	**
2011	**	**	**	**	**	**

¹ “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

² “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

³ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁴ Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Salary and Wage Information

Current State Average Salary Information from California Employment Development Department - \$49,150										

¹ “Graduates available for employment” means the total number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is as reported by the student. Not all graduates reported salary.

* Source: EDD/LMID Occupational Employment Statistics Survey at www.labormarketinfo.edd.ca.gov/?PageID=1009.

** This program is new and, therefore, has no data.

Wages do not reflect self-employment. Students can access a listing of employment opportunities in their field, and information on objective sources supporting the salaries disclosed, by visiting Career Services on campus.

This fact sheet will be filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818, West Sacramento, CA 95798, calling 1-888-370-7589 or www.bppe.ca.gov.

I, the undersigned, reviewed this Fact Sheet prior to enrollment. I have discussed the information with my admissions representative and understand the information provided herein.

SCHOOL PERFORMANCE FACT SHEET
Calendar Years 2010 and 2011

Interior Design (Bachelor's) - 34 months (formerly 36 months)

Student Initial _____

Students Completing Within Published Program Length – On Time Completion Rate

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	On Time Completion rate ⁴
2010	16	15	2	13%
2011	9	9	1	11%

¹ “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³ “Graduates” is the number of students who completed the program within 100% of the published program length.

⁴ “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Placement Rates

Student Initial _____

Calendar Year	Number of Graduates ¹	Graduates Available for Employment ²	Graduates Employed in the Field ³	Placement Rate Employed in the Field ⁴	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2010	2	1	1	100%	1	0
2011	1	1	1	100%	1	0

¹ “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

² “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

³ “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁴ Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Salary and Wage Information

Student Initial _____

Calendar Year	Graduates Available for Employment ¹	Graduates Employed in the Field ²	Annual Salary and Wage Reported Graduates Employed in the Field							Students Not Reporting Salary ³
			\$15,000-\$20,000	\$20,001-\$25,000	\$25,001-\$30,000	\$30,001-\$35,000	\$35,001-\$40,000	\$40,001-\$45,000	\$45,001+	
2010	1	1	0	0	0	0	0	0	0	1
2011	1	1	1	0	0	0	0	0	0	0
Current State Average Salary Information from California Employment Development Department - \$57,303										

¹ “Graduates available for employment” means the total number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is as reported by the student. Not all graduates reported salary.
