STUDENT PERFORMANCE FACT SHEET

The figures listed below indicate the performance of prior graduates of the respective programs. This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exams passage rates, this fact sheet contains the information as calculated pursuant to state law. If you would like to obtain a description of the manner in which the figures listed are calculated, please see the SCIT Admissions Department. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, <http://bppe.ca.gov>, telephone: (916) 431-6959, fax: (916)263-1897.

Completion Rates

Bachelor of Science Accounting (150 Weeks)

Calendar Year	# of Students Who Began Program*	Students Available for Graduation**	Graduates***	Completion Rate****	150% Completion Rate*****
2011	14	14	13	93%	93%
2010	21	18	11	61%	61%

* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the within the reporting calendar year.

** "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty, are international students that leave the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

*** "Graduates" is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101%-150% of the published program length.

*Graduates available for employment means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

** “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

*** Salary is as reported by the students. Not all graduates reported salary.

Calendar Year	# of Students Who Began Program*	Students Available for Graduation**	Graduates***	Completion Rate****	150% Completion Rate*****
2011	0	0	0	0%	0%
2010	0	0	0	0%	0%

* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the within the reporting calendar year.

** "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty, are international students that leave the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

*** "Graduates" is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101%-150% of the published program length.
