SELECTED TOPICS IN APPRAISAL

California Only
SOC Code: 13-2021

Students completing within published program length of 12 months - 100% completion rate

Calendar year	Number of students who began program	Students available for graduation	100% Graduates	Completion Rate
2010	New	New	New	New
2011	73	73	70	96%

Students completing after published program length of 12 months - 150% completion rate

Calendar year	Number of students who began program	Students available for graduation	150% Graduates	150% Completion Rate
2010	New	New	New	New
2011	73	73	0	0%

Placement rates for those students who reported working information

Calendar year	Number of students who began program	Number of Graduates	Graduates available for employment	Graduates employed in the field	Placement rate percentage employed in the field	Graduates employed in the field an average of less than 32 hours per week	Graduates employed in the field at least 32 hours per week
2010	New	New	New	New	New	N/A	N/A
2011	73	70	70	2	3%	N/A	N/A

License Exam Passage Rates:

License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

Salary as provided by the Employment Development Department's Occupational Employment Statistics: www.edd.ca.gov: \$33.26 median wage (Real Estate Appraiser)

Based upon student feedback, students are earning an average of: unable to obtain student earnings

Manner in which figures above were calculated:

~ Completions

- Number of students who completed course in 100% time allotted divided by the number of students who started the course in given year
- Number of students who completed course in 150% time allotted divided by the number of students who started the course in given year
- Total completed is a combination of students who graduated within 100% of time allotted, plus students who graduated within 150% of time allotted, and students who completed in more than 150% of time allotted

~ Working

- Number of students who reported employment out of the of Total Completed student list in given year

Students may obtain a list of employment positions determined to be in the field:
