

2011 PERFORMANCE FACT SHEET

CARDIOVASCULAR TECHNICIAN

This program is designed to provide students with the knowledge and skills base necessary to function in multi-occupational careers in the health care field. Positions such as Cardiovascular Ultrasound Tech, EKG Tech, and Telemetry Tech are available to the graduate. Hands on clinical experiences combined with the classroom teaching provide technical expertise in the field.

Employers are usually looking for candidates with an Associate degree.

Completion rates as reported to the Bureau for Private Postsecondary Education for the Cardiovascular Technology programs is 94%

Geography	Median Hourly	Median Annually
Los Angeles County	\$25.74	\$53,528
Orange County	\$27.47	\$57,152

Wage and salary data provided from the State of California Employment Development Department website. <http://www.labormarketinfo.edd.ca.gov>

13/18 or 72% of Pacific College graduates in Los Angeles and Orange counties were employed in their field at a median hourly rate of \$21.00 or \$43,680.

This profession does not require a licensing exam. The program does prepare students to be eligible to pursue registry through various board exams listed in more detail in the Pacific College General Catalog upon successful completion of the program.

_____ This *Fact Sheet* is filed with the Bureau for Private Postsecondary Education.
