**PLACEMENT RATES & LICENSE EXAM PASSAGE RATES**

All students at UUC are currently working people and they take online theological courses to be equipped so that they can serve the church in various positions. In addition, students are living in many parts of the world, and they are serving at their local churches or local Christian organization. Therefore, UUC cannot predict the position a graduate might eventually attain or the income a graduate might eventually earn.

UUC programs of study are not designed, or advertised, to lead to a particular career, or advertised or promoted with any claim regarding job placement.

UUC programs of study do NOT prepare a graduate for, or lead to, employment for which passage of a state licensing examination is required.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment position determined to be within the field for any specific program for which statistics are reported above, please speak to the Director of Admissions.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.
