\* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

\*\* "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

\*\*\* "Graduates" is the number of students who have completed the program within 100% of the published program length.

\*\*\*\* Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

\*\*\*\*\* 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

*You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.*

"This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data."

\* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

\*\* "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

\*\*\* "Graduates" is the number of students who have completed the program within 100% of the published program length.

\*\*\*\* Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

\*\*\*\*\* 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

*You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.*

"This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data."

#### Placement Rates (Table 2)

Calendar Year	# of Student Who Began Program	# of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate of an Average of less than 32 hours per week	Placement Rate of an Average of at or over 32 hours per week	150% Placement Rate
2010	145	120	120	0	0	0	N/A
2011	139	128	68	19	0	27	N/A

\* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

\*\* “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

\*\*\* “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

\*\*\*\* “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

\*\*\*\*\* Placement Rates are calculated by dividing the number of graduates employed in the field by the number of graduates available for employment for a program that is: designed, or advertised, to lead to a particular career; or advertised or promoted with any claim regarding job placement.

\*\*\*\*\* 150% Placement Rate means those rates calculated for students who completed the program within 101-150% of published program length.

*You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the placement rates shown in this School Performance Fact Sheet.*

New Program

“This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.”
