SCHOOL PERFORMANCE FACT SHEET

The State of California requires ITT Technical Institute (the "School") to provide each student a School Performance Fact Sheet disclosing the following information with respect to the Associate of Science Degree program in Computer And Electronics Engineering Technology ("Program"), which is 8 academic quarters in length, at the School:

1. Completion Rates: The completion rates for the Program, as calculated pursuant to Cal. Educ. Code Section 94929(a), are as follows:

Calendar Year	Students Who Began Program¹	Students Available for Graduation²	Graduates³	Completion Rate⁴
2010	N/A	N/A	N/A	N/A
2011	28	27	8	29.63%

-
1. "Students Who Began Program" means the number of students who began the Program who were scheduled to complete the Program within the specified calendar year.
 2. "Students Available for Graduation" means the Students Who Began Program minus the Students Unavailable for Graduation. "Students Unavailable for Graduation" means the number of students who died, were incarcerated or were called to active military duty.
 3. "Graduates" means the Students Who Began Program who completed the Program within 100% of the published length of the Program.
 4. "Completion Rate" means the Graduates divided by the Students Available for Graduation.

**Student's
Initials**

2. Job Placement Rates: The job placement rates for the Program, calculated pursuant to Cal. Educ. Code Section 94929.5, are as follows:

Calendar Year	Students Who Began Program ¹	Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate % of Graduates Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week

SCHOOL PERFORMANCE FACT SHEET

The State of California requires ITT Technical Institute (the “School”) to provide each student a School Performance Fact Sheet disclosing the following information with respect to the Associate of Science Degree program in Information Technology - Computer Network Systems (“Program”), which is 8 academic quarters in length, at the School:

1. Completion Rates: The completion rates for the Program, as calculated pursuant to Cal. Educ. Code Section 94929(a), are as follows:

Calendar Year	Students Who Began Program¹	Students Available for Graduation²	Graduates³	Completion Rate⁴
2010	N/A	N/A	N/A	N/A
2011	23	23	6	26.09%

-
1. “Students Who Began Program” means the number of students who began the Program who were scheduled to complete the Program within the specified calendar year.
 2. “Students Available for Graduation” means the Students Who Began Program minus the Students Unavailable for Graduation. “Students Unavailable for Graduation” means the number of students who died, were incarcerated or were called to active military duty.
 3. “Graduates” means the Students Who Began Program who completed the Program within 100% of the published length of the Program.
 4. “Completion Rate” means the Graduates divided by the Students Available for Graduation.

**Student’s
Initials**

2. Job Placement Rates: The job placement rates for the Program, calculated pursuant to Cal. Educ. Code Section 94929.5, are as follows:

Calendar Year	Students Who Began Program ¹	Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate % of Graduates Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2010	N/A	N/A	N/A	N/A	N/A	N/A	N/A

-
1. "Students Who Began Program" means the number of students who began the Program who are scheduled to complete the Program within the specified calendar year.
 2. "Graduates" means the Students Who Began Program who completed the Program within 100% of the published length of the Program.
 3. "Graduates Available for Employment" means the Graduates minus the Graduates Unavailable for Employment. "Graduates Unavailable for Employment" means the number of students who, after graduation, died, were incarcerated, were called to active military duty, were international students who left the United States or did not have a visa allowing employment in the United States, or continued their education at a postsecondary institution that was either accredited by an agency recognized by the U.S. Department of Education ("ED") or approved by the California Bureau for Private Postsecondary Education ("Bureau").
 4. "Graduates Employed in the Field" means the Graduates with respect to whom the School received reports that they were employed within six months of graduation from the Program in a single position for which the skills obtained through the education and training provided by the School were required or provided a significant advantage to the Graduate in obtaining the position ("Positions"). These Graduates may have obtained employment in the field prior to enrolling in the Program, while enrolled in the Program or after graduating from the Program. A list of the titles of the Positions can be obtained from the Career Services Department at the School.
 5. "Placement Rate % of Graduates Employed in the Field" means the rate that is calculated by dividing the Graduates Employed in the Field by the Graduates Available for Employment.

**Student's
Initials**

3. Salary and Wage Information: Pursuant to Cal. Educ. Code Section 94910, the salary information reported to the School by the Graduates Employed in the Field and/or their employers is as follows:

This Program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.

This disclosure is made pursuant to Cal. Educ. Code Section 94910.

Wage and salary data reported by the California Employment Development Department's Occupational Employment Statistics for careers and occupations that involve knowledge and skills taught in the Program are as follows:

2012 – 1st Quarter Wages

SOC Code	Occupational Title	Mean Hourly Wage	Mean Annual Wage	Percentiles		
				25 th Percentile Hourly Wage	50 th Percentile (Median) Hourly Wage	75 th Percentile Hourly Wage
11-9199	Managers, All Other	\$62.93	\$130,888	\$43.50	\$57.59	\$75.61

These survey data are from the 2011 Occupational Employment Statistics (OES) survey. The wages have all been updated to the first quarter of 2012 by applying the US Department of Labor's Employment Cost Index to the 2011 wages. Occupations are classified using the Standard Occupational Classification (SOC) codes. For details of the methodology, see the Overview of the OES Survey at <http://www.labormarketinfo.edd.ca.gov>. **This is not wage and salary data for entry-level employees.**
