**Students Completing Within Published Program Length – On Time Completion Rate**

Calendar Year	Number of Students Who Began Program <sup>1</sup>	Students Available for Graduation <sup>2</sup>	Graduates <sup>3</sup>	On Time Completion rate <sup>4</sup>
2010	**	**	**	**
2011	**	**	**	**

<sup>1</sup> “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup> “Graduates” is the number of students who completed the program within 100% of the published program length.

<sup>4</sup> “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

**Placement Rates**

Student Initial \_\_\_\_\_

Calendar Year	Number of Graduates <sup>1</sup>	Graduates Available for Employment <sup>2</sup>	Graduates Employed in the Field <sup>3</sup>	Placement Rate Employed in the Field <sup>4</sup>	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2010	**	**	**	**	**	**
2011	**	**	**	**	**	**

<sup>1</sup> “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>2</sup> “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>3</sup> “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>4</sup> Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

**Salary and Wage Information**

Current State Average Salary Information from California Employment Development Department - \$93,974										

<sup>1</sup> “Graduates available for employment” means the total number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup> “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

<sup>1</sup> “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup> “Graduates” is the number of students who completed the program within 100% of the published program length.

<sup>4</sup> “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

**Placement Rates**

Student Initial \_\_\_\_\_

Calendar Year	Number of Graduates <sup>1</sup>	Graduates Available for Employment <sup>2</sup>	Graduates Employed in the Field <sup>3</sup>	Placement Rate Employed in the Field <sup>4</sup>	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2010	97	82	54	66%	25	29
2011	57	49	32	65%	13	19

<sup>1</sup> “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>2</sup> “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>3</sup> “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>4</sup> Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Current State Average Salary Information from California Employment Development Department - \$75,795										

<sup>1</sup> “Graduates available for employment” means the total number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>2</sup> “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>3</sup> Salary is as reported by the student. Not all graduates reported salary.

Student Initial \_\_\_\_\_

Calendar Year	Number of Graduates <sup>1</sup>	Graduates Available for Employment <sup>2</sup>	Graduates Employed in the Field <sup>3</sup>	Placement Rate Employed in the Field <sup>4</sup>	Graduates Employed in the Field an average of less than 32 hours	Graduates Employed in the Field at least 32 hours per week
2010	**	**	**	**	**	**
2011	**	**	**	**	**	**

<sup>1</sup> “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>2</sup> “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>3</sup> “Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>4</sup> Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

**Salary and Wage Information**
