2010	18	18	1	6%
2011	70	70	6	9%

¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, have been incarcerated, or have been called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

⁵“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

⁶“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period. Note: 2009 rates reflect students who completed within 1-150% of the published program length.

Initials: _____ Date: _____ I have read and understand the above completion rates.

2. Placement Rates (includes data for the two calendar years before reporting)

4. Salary and Wage Information

The California Employment Development Department ("EDD") provides Occupational Employment statistics for occupational outcomes for this program. As of Q1 2012, the EDD's published data indicate that, in the Inland Empire Area, the mean annual wage or salary for Medical Assistants (SOC Code: 31-9092) is \$28,069 (\$13.49 per hour). See www.labormarketinfo.edd.ca.gov. The EDD's wage or salary data may include earnings by individuals having multiple years of experience in the field.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. Kaplan College obtains salary information through direct student or employer disclosures, and, as part of the verification process, documents salary and other employment information in its CampusVue database.

4. Salary and Wage Information

The California Employment Development Department ("EDD") provides Occupational Employment statistics for occupational outcomes for this program. As of Q1 2012, the EDD's published data indicate that, in San Diego County, the median wage or salary for Massage Therapists (SOC Code: 31-9011) is \$34,750 (\$16.70 per hour). *See* www.labormarketinfo.edd.ca.gov. The EDD's wage or salary data may include earnings by individuals having multiple years of experience in the field.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. When Kaplan College's Career Services Department receives placement information from a graduate, the staff requests salary information and records it in the electronic database as "actual" salary. If the graduate does not provide salary information the College enters an "estimated" salary based on past experience with employers in the field.

¹“Number of Students Taking Exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²“Number Who Passed First Exam Taken” is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³“Passage Rate” is calculated by dividing the number of graduates who pass the exam the first time they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

4. Salary and Wage Information

The California Employment Development Department (“EDD”) provides Occupational Employment statistics for occupational outcomes for this program. As of Q1 2012, the EDD’s published data indicate that, in San Diego County, the median wage or salary for Nursing Aides, Orderlies and Attendants (SOC Code: 31-1012) is \$25,959 (\$12.48 per hour). See www.labormarketinfo.edd.ca.gov. The EDD’s wage or salary data may include earnings by individuals having multiple years of experience in the field.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. When Kaplan College’s Career Services Department receives placement information from a graduate, the staff requests salary information and records it in the electronic database as “actual” salary. If the graduate does not provide salary information the College enters an “estimated” salary based on past experience with employers in the field.

¹“Number of Students Taking Exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²“Number Who Passed First Exam Taken” is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³“Passage Rate” is calculated by dividing the number of graduates who pass the exam the first time they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

4. Salary and Wage Information

The California Employment Development Department (“EDD”) provides Occupational Employment statistics for certain occupational outcomes appropriate for this program, as indicated below. The median wage or salary data shown below is EDD’s published data for San Diego County in Q1 2012.

SOC Code	Job Title	Median Hourly Wage	Median Annual Wage
29-2061	Vocational Nurse	\$23.55	\$48,989
31-1012	Nursing Aides, Orderlies, and Attendants	\$12.48	\$25,959

See www.labormarketinfo.edd.ca.gov. The EDD’s wage or salary data may include earnings by individuals having multiple years of experience in the field.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. When Kaplan College’s Career Services Department receives placement information from a graduate, the staff requests salary information and records it in the electronic database as “actual” salary. If the graduate does not provide salary information the College enters an “estimated” salary based on past experience with employers in the field.

¹“Number of Students Who Began Program” means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students who leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

⁶150% Placement Rate is the rate calculated for students who completed the program within 101-150% of published program length.

This program is not represented to lead to any one particular outcome, including that specified in the program title. The placement rates calculated above are based on students finding employment in the multiple occupations or job titles listed for this program in the school catalog, or which, in the College’s judgment, meet the criteria discussed above. For further information regarding how the school calculated graduation or placement rates, or to obtain a list of employment positions determined to be within the field for which a student received education and training, see the Director of Career Services.

4. Salary and Wage Information

The California Employment Development Department (“EDD”) provides Occupational Employment statistics for certain occupational outcomes appropriate for this program, as indicated below. The median wage or salary data shown below is EDD’s published data for San Diego County in Q1 2012.

SOC Code	Job Title	Median Hourly Wage	Median Annual Wage
31-9092	Medical Assistant	\$15.34	\$31,912
29-2037	Radiologic Technologists and Technicians*	\$32.02	\$66,611

See www.labormarketinfo.edd.ca.gov. The EDD’s wage or salary data may include earnings by individuals having multiple years of experience in the field.

* Note that, because Radiologic Technologists tend to earn higher salaries than X-Ray Technicians, the EDD salary data reflects higher wages than are typical for graduates of the X-Ray Technician/Medical Assistant Back Office program. See graduate salary data below.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. When Kaplan College’s Career Services Department receives placement information from a graduate, the staff requests salary information and records it in the electronic database as “actual” salary.
