

SCHOOL PERFORMANCE REPORT

This information is provided for you to be informed about the past success rate of the students that have attended the school. United Truck Driving School has 4 campuses in Southern California. We have provided the 2010-11 information of performance for your review.

We have been training students as commercial truck drivers since 1978.

We are committed to our students and their success in the essential transportation industry. You can see by the data we are very successful in getting our students trained and working as Professional Commercial Drivers!
