

## **2010-2011 Performance Fact Sheet – Intercultural Institute of California**

### 1. Korean Language Program

#### a) Completion Rate

The completion rate for the Korean Language Program is 100% (as calculated pursuant to Article 16 of the California Private Postsecondary Education Act of 2009, commencing with Section 94928).

#### b) Placement Rate

The Korean Language Program is not intended to prepare students for any particular career, occupation, vocation or job.

#### c) License Examination Passage Rate

The Korean Language is not intended to prepare students for any job where a state licensing examination is required.

#### d) Salary or Wage Information

As stated in (b) above, the Korean Language Program is not intended to prepare students for any particular career, occupation, vocation or job. Therefore no salary or wage information can be provided.

### 2. English as a Second Language Program

#### a) Completion Rate

The English as a Second Language Program offers open enrollment (i.e. students may enter the program on any given Monday throughout the year). As such, there are no student “cohorts” in the program and no “cohort start dates”, and therefore no cohort completion rate can be calculated.

#### b) Placement Rate

The English as a Second Language Program is not intended to prepare students for any particular career, occupation, vocation or job.

#### c) License Examination Passage Rate

The English as a Second Language Program is not intended to prepare students for any job where a state licensing examination is required.

d) Salary or Wage Information

As stated in (b) above, the English as a Second Language Program is not intended to prepare students for any particular career, occupation, vocation or job. Therefore no salary or wage information can be provided.
