<sup>1</sup> "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup> "Graduates" is the number of students who completed the program within 100% of the published program length (10 trimesters).

<sup>4</sup> "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup> "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period (11-15 trimesters).

**PLACEMENT RATES**

CALENDAR YEAR	NUMBER OF STUDENTS WHO BEGAN PROGRAM <sup>1</sup>	GRADUATES <sup>2</sup>	GRADUATES AVAILABLE FOR EMPLOYMENT <sup>3</sup>	GRADUATES EMPLOYED IN THE FIELD <sup>4</sup>	PLACEMENT RATE <sup>5</sup>	GRADUATES EMPLOYED LESS THAN 32 HOURS PER WEEK	GRADUATES EMPLOYED OVER 32 HOURS PER WEEK
2010	57	17	6	6	100%	5	1
2011	64	22	9	9	100%	6	2

*Placement in the field is reported by the student. We are missing information for 11 graduates from 2010 and 13 graduates from 2011.*

<sup>1</sup> "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup> "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup> "Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>5</sup> Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

The employment positions determined by AIMC to be within the field for which a student received education and training for the calculation of job placement rates can be found at <http://aimc.edu/wp-content/uploads/2013/06/AIMC-Berkeley-Employment-Positions-List.pdf>.

*License examination passage data is from the State of California Acupuncture Board website. The Board does not distinguish between graduates who completed the program within 150% of the published program length and graduates who took longer than 150% of the published program length to graduate. The statistics given are for 1<sup>st</sup> time takers of the exam. The Board does not give statistics on whether or not the students are taking the first available examination after graduation.*

<sup>1</sup> Number of Students Taking Exam is the number of students who completed the program who took the exam for the first time on the given exam date.

<sup>2</sup> Exam Date is the date the exam was given. No data is available on whether the students took the first available examination after graduation.

<sup>3</sup> Passage Rate is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.
