**4. Salary and Wage Information**

The California Employment Development Department (“EDD”) provides Occupational Employment statistics for certain occupational outcomes for this program. As of Q1 2012, the EDD’s published data indicate a number of occupational outcomes appropriate for graduates of this program, such as those listed below. This data reflects wages and salaries in San Joaquin County during Q1 2012.

SOC Code	Job Title	Median Annual Wage
33-9099	Protective Service Workers	\$35,116
33-9092	Lifeguards, Ski Patrol and Other Service Workers	\$20,429
33-9032	Security Guards	\$26,321

See [www.labormarketinfo.edd.ca.gov](http://www.labormarketinfo.edd.ca.gov). The EDD’s wage or salary data may include earnings by individuals having multiple years of experience in the field.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. Kaplan College obtains salary information directly from its students in writing, during the employment placement verification process.

2010	118	118	7	6%
2011	72	72	21	29%

<sup>1</sup>“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, have been incarcerated, or have been called to active military duty.

<sup>3</sup>“Graduates” is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup>“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup>“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period. Note: 2009 rates reflect students who completed within 1-150% of the published program length.

Initials: \_\_\_\_\_ Date: \_\_\_\_\_ I have read and understand the above completion rates.

**2. Placement Rates (includes data for the two calendar years before reporting)**

**Placement Rate for Students Completing within 100% of the Published Program Length**

2010	118	7	7	5	71%	0	5
2011	76	21	19	7	37%	2	5

<sup>1</sup>“Number of Students Who Began Program” means the number of students who began a program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students who leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>“Graduates employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

<sup>5</sup>Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

<sup>6</sup>150% Placement Rate is the rate calculated for students who completed the program within 101-150% of published program length.

This program is not represented to lead to any one particular outcome, including that specified in the program title. The placement rates calculated above are based on students finding employment in the multiple occupations or job titles listed for this program in the school catalog, or which, in the College’s judgment, meet the criteria discussed above. For further information regarding how the school calculated graduation or placement rates, or to obtain a list of employment positions determined to be within the field for which a student received education and training, see the Director of Career Services.

Initials: \_\_\_\_\_ Date: \_\_\_\_\_ I have read and understand the above placement information.

**3. License Examination Passage Rates (includes data for the two calendar years before reporting) – N/A**

Initials: \_\_\_\_\_ Date: \_\_\_\_\_ I have read and understand the above license examination rates.

**4. Salary and Wage Information**

The California Employment Development Department (“EDD”) provides Occupational Employment statistics for certain occupational outcomes for this program. As of Q1 2012, the EDD’s published data indicate a number of occupational outcomes appropriate for graduates of this program, such as those listed below. This data reflects wages and salaries in San Joaquin County during Q1 2012.

SOC Code	Job Title	Median Annual Wage
43-6013	Medical Secretaries	\$34,600
43-4171	Receptionist and Information Clerks	\$17,323

See [www.labormarketinfo.edd.ca.gov](http://www.labormarketinfo.edd.ca.gov). The EDD’s wage or salary data may include earnings by individuals having multiple years of experience in the field.

Students may find a list of employment positions that the College has determined to be within the field for which they were trained in the school catalog. Kaplan College obtains salary information directly from its students in writing, during the employment placement verification process.
