"NOTICE CONCERNING TRANSFERABILITY OF UNITS AND DEGREES EARNED AT OUR SCHOOL"

Units you earn in our **EMS Training Institute, Inc.** program in most cases will probably not be transferable to any other college or university. For example, if you entered our school as a freshman, you will still be a freshman if you enter another college or university at some time in the future even though you earned units here at our school. In addition, if you earn a degree, diploma, or certificate in our **EMS Training Institute, Inc.** program, in most cases it will probably not serve as a basis for obtaining a higher level degree at another college or university." The disclosures required by this section shall be signed by the institution and the student and be dated. If the solicitation or negotiation leading to the agreement for a course of instruction was in a language other than English, the disclosures shall be in that other language. (c) The council shall take into consideration the character of the educational program in determining whether specific programs may be excluded from application of this section. (d) Except as provided in subdivision (b), this section does not apply to educational programs subject to Article 7 (commencing with Section 94850).
