PERFORMANCE FACT SHEET 2011 ANNUAL REPORT

Performance Fact Sheet is not applicable to any of Golden Gate Language Schools (GGLS) programs for the following reason

- California Code of Regulations (C.C.R.) section 74112 (c) (1) states
“An Annual Report shall include data for all educational programs as defined in section 94837 of the Code
- California Education Code (CEC) 94837 states
“Educational program” means a planned sequence composed of a single course or module, or set of related courses or modules, that provides the education, training skills and experience leading to the award of a recognized educational credential such as a degree or diploma

Since none of Golden Gate Language Schools programs lead “to the award of a recognized educational credential such as a degree or diploma” (or certificate) as defined in CEC 94837 data for the Performance Fact Sheet required for the Annual Report (CCR 74112 (c)(1)) cannot be collected for any of GGLS’s programs
