January 1 – December 31, 2011

About the School Performance Fact Sheet

Completion rates are calculated by dividing the number of graduates by the number of students available for graduation and rounding to the nearest whole number. **Placement rates** are calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment. **License Exam Passage Rates** are calculated by dividing the number of students who pass the examination by the number of graduates who take the reported licensing examination the first time that the examination is available after completion of the educational program. **Salary and wage information**, consisting of the total number of graduates employed in the field and the annual wages or salaries of those graduates stated in increments of five thousand dollar (\$5,000). A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates may be obtained by contacting the CHD Education Coordinator at 707-523-1155. A list of objective sources of information used to substantiate the salary disclosures may be obtained by contacting the CHD Education Coordinator at 707-523-1155.

This fact sheet and the data it contains are particular to the campus/branch of the school and the Educational Program indicated on the first table. Data for other Educational Program or other campuses/branches of the school are available on separate fact sheets.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

About the School Performance Fact Sheet

Completion rates are calculated by dividing the number of graduates by the number of students available for graduation and rounding to the nearest whole number. **Placement rates** are calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment. **License Exam Passage Rates** are calculated by dividing the number of students who pass the examination by the number of graduates who take the reported licensing examination the first time that the examination is available after completion of the educational program. **Salary and wage information**, consisting of the total number of graduates employed in the field and the annual wages or salaries of those graduates stated in increments of five thousand dollar (\$5,000). A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates may be obtained by contacting the CHD Education Coordinator at 707-523-1155. A list of objective sources of information used to substantiate the salary disclosures may be obtained by contacting the CHD Education Coordinator at 707-523-1155.

This fact sheet and the data it contains are particular to the campus/branch of the school and the Educational Program indicated on the first table. Data for other Educational Program or other campuses/branches of the school are available on separate fact sheets.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.
