

The School Performance Fact Sheet is based up on figures for all courses completed as of December 31, 2011.

Truck Driver Training Program (includes Behind-the Wheel Program)

| Completion Rate | | | | |
|------------------------|--|--|--|------------------------------------|
| <u>Calendar Year</u> | <u># of Students Who Began Program¹</u> | <u>Students Available for Graduation²</u> | <u>Number of Graduates³</u> | <u>Completion Rate⁴</u> |
| 2010 | 84 | 84 | 73 | 87% |
| 2011 | 98 | 96 | 94 | 98% |

| Placement Rate | | | | | | |
|-----------------------|---|--|---|--|---|---|
| <u>Calendar Year</u> | <u>Number of Students Who Began Program⁵</u> | <u>Number of Graduates⁶</u> | <u>Graduates Available for Employment⁷</u> | <u>Graduates Employed in the Field⁸</u> | <u>Placement Rate of an average of less than 32 hours per week.⁹</u> | <u>Placement Rate of an average of at or over 32 hours per week</u> |
| 2010 | 84 | 73 | 72 | 66 | 0% | 92% |
| 2011 | 96 | 94 | 93 | 84 | 0% | 91% |

¹ Number of students who began the program who are scheduled to complete the program within the reporting calendar year. In most cases, incompleteness was due to voluntary withdrawal from the program.
² Equals the number of students who began the program minus the number of students unavailable for graduation, which means those students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary education.
³ The number of students who have completed the program within 100% of the published program length.
⁴ Completion Rate is calculated by dividing the Number of Graduates by the number of graduates by the number of students available for graduation.
⁵ Number of students who began the program who are scheduled to complete the program within the reporting calendar year.
⁶ The number of students who have completed the program within 100% of the published program length.
⁷ The number of graduates minus the number of graduates who, after graduation, which means those students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary education.
⁸ Graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
⁹ Placement rates are calculated by dividing the number of graduates employed in the field by the number of graduates available for employment for a program that is: designed, or advertised, to lead to a particular career; or advertised or promoted with any claim regarding job placement..
