School Performance Fact Sheet

Table 1

School Name _____ Program Name _____

Completion Rates (Table 1)

Calendar Year	# of Student Who Began Program	Students Available for Graduation	Graduates	Completion Rate	150% Completion Rate

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Students available for graduation” equals the number of students who began the program minus the number of “Students unavailable for graduation,” which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** “Graduates” is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.

“This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.”

I have received a copy of this document.

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

*** “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**** “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

***** Placement Rates are calculated by dividing the number of graduates employed in the field by the number of graduates available for employment for a program that is: designed, or advertised, to lead to a particular career; or advertised or promoted with any claim regarding job placement.

***** 150% Placement Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the placement rates shown in this School Performance Fact Sheet.

School Performance Fact Sheet Table 3

School Name _____ Program Name _____

Exam Passage Rates (exams not continuously administered) (Table 3)

Number of Graduates	Exam Date	# Who Passed Exam	# Who Failed Exam	# Not Included	Passage Rate	150% Passage Rate

* Number of Graduates means the number of students who completed the program in the reported calendar year and were eligible to take the licensing exam the first time that the exam was available after completion of the program.

** Exam Date means the date for the first available exam after the graduates completed the program.

*** Passage Rate is calculated by dividing the number of graduates who pass the exam by the number of graduates who take the licensing exam the first time that the exam is available after completion of the program.

**** 150% Passage Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the exam passage rates shown in this School Performance Fact Sheet.

I have received a copy of this document.

School Performance Fact Sheet

Table 1

School Name _____ Program Name _____

Completion Rates (Table 1)

Calendar Year	# of Student Who Began Program	Students Available for Graduation	Graduates	Completion Rate	150% Completion Rate

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Students available for graduation” equals the number of students who began the program minus the number of “Students unavailable for graduation,” which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** “Graduates” is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.

“This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.”

I have received a copy of this document.

School Performance Fact Sheet

Table 1

School Name _____ Program Name _____

Completion Rates (Table 1)

Calendar Year	# of Student Who Began Program	Students Available for Graduation	Graduates	Completion Rate	150% Completion Rate

* "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** "Students available for graduation" equals the number of students who began the program minus the number of "Students unavailable for graduation," which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** "Graduates" is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.

"This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data."

I have received a copy of this document.

Placement Rates (Table 2)

Calendar Year	# of Student Who Began Program	# of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate of an Average of less than 32 hours per week	Placement Rate of an Average of at or over 32 hours per week	150% Placement Rate

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

*** “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**** “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

***** Placement Rates are calculated by dividing the number of graduates employed in the field by the number of graduates available for employment for a program that is: designed, or advertised, to lead to a particular career; or advertised or promoted with any claim regarding job placement.

***** 150% Placement Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the placement rates shown in this School Performance Fact Sheet.

* Number of Graduates means the number of students who completed the program in the reported calendar year and were eligible to take the licensing exam the first time that the exam was available after completion of the program.

** Exam Date means the date for the first available exam after the graduates completed the program.

*** Passage Rate is calculated by dividing the number of graduates who pass the exam by the number of graduates who take the licensing exam the first time that the exam is available after completion of the program.

**** 150% Passage Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the exam passage rates shown in this School Performance Fact Sheet.

School Performance Fact Sheet

Table 1

School Name _____ Program Name _____

Completion Rates (Table 1)

Calendar Year	# of Student Who Began Program	Students Available for Graduation	Graduates	Completion Rate	150% Completion Rate

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Students available for graduation” equals the number of students who began the program minus the number of “Students unavailable for graduation,” which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** “Graduates” is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.

“This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.”

I have received a copy of this document.

Signature: _____ Date: _____

"This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law." Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capital Oaks Drive Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, (916) 431-6959 fax (916) 263-1897."

School Performance Fact Sheet

Table 1

School Name _____ Program Name _____

Completion Rates (Table 1)

Calendar Year	# of Student Who Began Program	Students Available for Graduation	Graduates	Completion Rate	150% Completion Rate

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Students available for graduation” equals the number of students who began the program minus the number of “Students unavailable for graduation,” which means students who have died, been incarcerated, or called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited bureau-approved postsecondary institution.

*** “Graduates” is the number of students who have completed the program within 100% of the published program length.

**** Completion Rate is calculated by dividing the Number of Graduates by the Number of Students Available for Graduation.

***** 150% Completion Rate means the number of students completing the program within 101-150% of the published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the completion rates shown in this School Performance Fact Sheet.

“This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.”

School Performance Fact Sheet Table 2

School Name _____ Program Name _____

Placement Rates (Table 2)

Calendar Year	# of Student Who Began Program	# of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate of an Average of less than 32 hours per week	Placement Rate of an Average of at or over 32 hours per week	150% Placement Rate

* “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

** “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

*** “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

**** “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

***** Placement Rates are calculated by dividing the number of graduates employed in the field by the number of graduates available for employment for a program that is: designed, or advertised, to lead to a particular career; or advertised or promoted with any claim regarding job placement.

***** 150% Placement Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the placement rates shown in this School Performance Fact Sheet.

New Program

“This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. School Performance Fact Sheet Table 3

School Name _____ Program Name _____

Exam Passage Rates (exams not continuously administered) (Table 3)

Number of Graduates	Exam Date	# Who Passed Exam	# Who Failed Exam	# Not Included	Passage Rate	150% Passage Rate

* Number of Graduates means the number of students who completed the program in the reported calendar year and were eligible to take the licensing exam the first time that the exam was available after completion of the program.

** Exam Date means the date for the first available exam after the graduates completed the program.

*** Passage Rate is calculated by dividing the number of graduates who pass the exam by the number of graduates who take the licensing exam the first time that the exam is available after completion of the program.

**** 150% Passage Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the exam passage rates shown in this School Performance Fact Sheet.

School Performance Fact Sheet Table 4

School Name _____ Program Name _____

Exam Passage Rates (exams that are continuously administered) (Table 4)

Calendar Year	# of Graduates	# Who Passed First Exam Taken	# Who Failed First Exam Taken	# Not Included	Passage Rate	150% Passage Rate

* Number of Graduates means the number of students who completed the program in the reported calendar year and were eligible to take the licensing exam.

** Number Who Passed First Exam Taken means the number of graduates who took and passed the licensing exam on the first attempt.

*** Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

**** 150% Passage Rate means those rates calculated for students who completed the program within 101-150% of published program length.

You may obtain, from the Chief Academic Officer of this institution, a description and explanation of the information used to determine the exam passage rates shown in this School Performance Fact Sheet.
