

SCHOOL PERFORMANCE FACT SHEET
Calendar Years 2010 & 2011

Completion Rates (includes data for the two calendar years prior to reporting)

Microsoft Office Specialist (MOS) 2010 – 16 Weeks

Calendar Year	Number of Students Who Began Program	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2010	3	3	2	67%
2011	6	6	4	67%

Students Completing After Published Program Length – 150% Completion Rate

Microsoft Office Specialist (MOS) 2010 – 16 Weeks

Calendar Year	Number of Students Who Began Program	Students Available for Graduation ²	150% Graduates ⁵	150% Completion Rate ⁶
2010	3	3	0	0%
2011	6	6	1	17%

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹ "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Students Available for Graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

³ "Graduates" is the number of students who completed the program within 100% of the published program length.

⁴ "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

⁵ "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

⁶ "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

Placement Rates (includes data for the two calendar years prior to reporting)

Microsoft Office Specialist (MOS) 2010 – 16 Weeks

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate Employed in the Field	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2010	3	2	2	0	0%	-	-
2011	6	5	5	2	40%	Unknown	Unknown

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹ "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

³ "Graduates available for employment" means the number of graduates minus the number of graduates available for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States of do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ "Placement Rate" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date: _____ I have read and understand the above placement information.

Licensure Rates

License Examination Passage Rates (not continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Microsoft Office Specialist (MOS) 2010 – 16 Weeks

Exam Date ²	# Taking Exam ¹	# Who Passed Exam	# Who Failed Exam	Passage Rate ³
N/A				

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹ “# Taking Exam” is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

² “Exam Date” is the date for the first available exam after the students completed the program.

³ “Passage Rate” is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Microsoft Office Specialist (MOS) 2010 – 16 Weeks

Calendar Year	# Taking Exam ¹	# Who Passed First Exam ²	# Who Failed Exam	Passage Rate ³
2010	N/A			
2011	N/A

³ "Graduates available for employment" means the number of graduates minus the number of graduates available for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ "Graduates Employed in the Field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ "Placement Rate" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date: _____ I have read and understand the above placement information.

Licensure Rates

License Examination Passage Rates (not continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Microsoft Certified Professional Developer: (MCPD) Windows Developer 4 on Visual Studio 2010 – 34 Weeks

Exam Date ²	# Taking Exam ¹	# Who Passed Exam	# Who Failed Exam	Passage Rate ³
N/A				

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹ "# Taking Exam" is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

² "Exam Date" is the date for the first available exam after the students completed the program.

³ "Passage Rate" is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Microsoft Certified Professional Developer: (MCPD) Windows Developer 4 on Visual Studio 2010 – 34 Weeks

N/A				

If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from graduates.

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹ “# Taking Exam” is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

² “Exam Date” is the date for the first available exam after the students completed the program.

³ “Passage Rate” is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

Initials: _____ Date: _____ I have read and understand the above license examination rates.

License Examination Passage Rates (continually administered tests)

Based on students completing the program within 150% of the published program length in the report year.

Advanced Security Professional – 21 Weeks

Calendar Year	# Taking Exam ¹	# Who Passed First Exam ²	# Who Failed Exam	Passage Rate ³
2010	N/A			
2011	N/A

Salary and Wage Information

Advanced Security Professional – 21 Weeks

Calendar Year	Grads Avail for Employment	Grads Employed In Field	Annual Salary and Wages Reported Graduates Employed in the Field				
			\$15,000 to \$24,999	\$25,000 to \$34,999	\$35,000 to \$44,999	\$45,000 & Above	Students not Reporting Salary
2010	*						
2011	*						

If applicable: *This program is new. Therefore, the number of students who graduate, the number of student who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

¹ “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States of do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² “Graduates Employed in Field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is reported by the student. Not all graduates reported salary.

Salary and Wage Information – Not Applicable

The institution nor representatives of the institution make any expressed or implied claim about the salary that may be earned after completing the educational program.
