Date _____

(1) Calculated by taking the number of students who finished divided by number who started program.

(2) Taken from State EMS website http://www.emsa.ca.gov/personnel/files/EMT_2012_Results.pdf

(3) calculated from NREMT Director Only Access based on 1st, 2nd, and 3rd attempts.

(4) The SFPA has made attempts to get employment data from past students with no success.

Students may obtain from the SFPA a list of employment positions determined to be within the field for which the student received education and training.

(5) Students may obtain from the institution a list of the objective sources of information used to substantiate the salary disclosure which was taken from US Department of Labor website: <http://www.bls.gov/oes/current/oes292041.htm>

Annual wages have been calculated by multiplying the hourly mean wage by a "year-round, full-time" hours figure of 2,080 hours; for those occupations where there is not an hourly mean wage published, the annual wage has been directly calculated from the reported survey data.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.
