SCHOOL PERFORMANCE FACT SHEET CALENDAR YEARS 2011 & 2012

Completion Rates (includes data for the two calendar years prior to reporting)

Administrative Office Assistant – 900 Hours

Calendar Year	Number of Students of Began Program	Students Available for Graduation	Graduates	Completion Rate
2011	108	107	107	99%
2012	154	153	153	99%

Students Completing After Published Program Length – 150% Completion Rate

Administrative Office Assistant – 900 Hours

Calendar Year	Number of Students of Began Program	Students Available for Graduation	150% Graduates	150% Completion Rate
2011	108	107	0	N/A
2012	154	153	0	N/A

If applicable: This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

“Graduates” is the number of students who completed the program within 100% of the published program length.

“Completion Rate” is the number of Graduates divided by the Number of Student Available for Graduation.

“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

“150% Completion Rate” is the number of student who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

2011	14	14	14	100%
2012	12	12	12	100%

Students Completing After Published Program Length – 150% Completion Rate

Light Auto Mechanics – 900 Hours

Calendar Year	Number of Students of Began Program	Students Available for Graduation	150% Graduates	150% Completion Rate
2011	14	14	0	N/A
2012	12	12	0	N/A

If applicable: This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

“Graduates” is the number of students who completed the program within 100% of the published program length.

“Completion Rate” is the number of Graduates divided by the Number of Student Available for Graduation.

“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

“150% Completion Rate” is the number of student who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students available for Graduation in the published program length period.
