Important Notice

The information presented above is based on the internal salary and wage survey conducted by the school's placement office. Special care was given for the accuracy of the wage and salary data collected. The school relies on the students' feedback and is not able to verify and to validate the wage and salary reported and its accuracy.

Please refer to the salary and wage information and projection statistics as provided by the US Bureau for Labor Statistics (www.bls.gov), California Department of Employment Development (www.edd.ca.gov), www.onetonline.org, and other reliable resources for further information.

To obtain a description of the manner the above statistics were gathered, or to obtain a list of employment positions determined to be within the field with regards to job placement of graduates, please ask your enrollment representative. Wage and salary data was gathered using the following data: Graduate employment verification and the Employment Development Department's Occupational Employment Statistics. 94910(f)(1)(2)(3)

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law. 94910(g)(1)

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution, may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818, Sacramento, CA 95798-0818, www.bppe.ca.gov, ph 888-370-7589. 94910(g)(2)
