Program: Computerized Accounting I Program Length: 4 Months Clock Hours: 375

Completion Rate:

Calendar Year	Number of Students Who Began Program (1)	Students Available for Graduation (2)	Graduates (3)	Completion Rate (4)
2011	2	2	0	0.00%
2012	0	0	0	0.00%

(1) "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year. (2) "Students available for graduation" is the number of students who began program minus the number of Students unavailable for graduation, which means those students who have died, been incarcerated, or called to active military duty. (3) "Graduates" is the number of students who completed the program within 100% of the published program length. (4) "Completion Rate" is the number of Graduates divided by

150% Completion Rate:

Calendar Year	Number of Students Who Began Program (1)	Students Available for Graduation (2)	150 % Graduates (5)	150% Completion Rate (6)
2011	2	2	2	100.00%
2012	0	0	0	0.00%

the Number of Students Available for Graduation. (5) "150% Graduates" is the number of students who completed the program within 101-150% of the published program length. (6) "150% Completion" Rate is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Initials: _____ Date: _____ I have read and understand the above completion rates.

Placement Rate:

Calendar Year	Number of Students Who Began Program (1)	Number of Graduates (2)	Graduates Available for Employment (3)	Graduates Employed in the Field (4)	Placement Rate % Employed in the Field (5)	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2011	2	0	0	0	0.00%	0	0
2012	0	0	0	0	0.00%	0	0

(1) "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year. (2) "Number of Graduates" is the number of students who have completed the program within 100% of the published program length. (3) "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. (4) "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations requiring passage of a licensing examination prior to enrollment, "graduates as employed in the field" means in a single position for which the institution represents its program prepares its graduates within six months of the

announcement of the first licensure examination results. (5) Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date: _____ I have read and understand the above placement information.

Salary and Wage Information:

Calendar Year	Graduates Available for Employment (1)	Graduates Employed in the Field (2)	Annual Salary and Wages by Graduates Employed in the Field (3)					
			\$5,001-\$10,000	\$10,001-\$15,000	\$15,001-\$20,000	\$20,001-\$25,000	\$25,001-\$30,000	\$30,001-\$35,000
2011	0	0	0	0	0	0	0	0
2012	0	0	0	0	0	0	0	0

(1)“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable” for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. (2) “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. (3) Salary is as reported by the student. Not all graduates reported salary. Students can access a listing of employment opportunities in their field, and information on objective sources supporting the salaries disclosed, by visiting the Career Services Department on campus.

(1)“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable” for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. (2) “Graduates employed in the field” means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position. (3) Salary is as reported by the student. Not all graduates reported salary. Students can access a listing of employment opportunities in their field, and information on objective sources supporting the salaries disclosed, by visiting the Career Services Department on campus.

number of Graduates divided by the Number of Students Available for Graduation. (5) "150% Graduates" is the number of students who completed the program within 101-150% of the published program length. (6) "150% Completion" Rate is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period. **This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.*

Initials: _____ Date: _____ I have read and understand the above completion rates.

Placement Rate:

Calendar Year	Number of Students Who Began Program (1)	Number of Graduates (2)	Graduates Available for Employment (3)	Graduates Employed in the Field (4)	Placement Rate % Employed in the Field (5)	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2011	*This program is new						
2012							

(1) "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year. (2) "Number of Graduates" is the number of students who have completed the program within 100% of the published program length. (3) "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution. (4) "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates

within six months after a student completes the applicable educational program. For occupations requiring passage of a licensing examination prior to enrollment, “graduates as employed in the field” means in a single position for which the institution represents its program prepares its graduates within six months of the announcement of the first licensure examination results. (5) Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Initials: _____ Date: _____ I have read and understand the above placement information.
