| 2012 | <u>5</u>  | <u>5</u>  | <u>0</u>  | 0 %  |

(1) "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

(2) "Students available for graduation" is the number of students who began program minus the number of Students unavailable for graduation, which means those students who have died, been incarcerated, or called to active military duty.

(3) "Graduates" is the number of students who completed the program within 100% of the published program length.

(4) "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

(5) "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

(6) "150% Completion" Rate is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

## PLACEMENT RATE

| Calendar Year | Number of Students Who Began Program | Number of Graduates | Grad Available for Employment | Grad Employed in the Field | Placement Rate % | Graduates Employed in the Field an average of less than 32 hours per week | Graduates Employed in the Field an average of at least 32 hours per week |
|---------------|--------------------------------------|---------------------|-------------------------------|----------------------------|------------------|---|--|
| 2011          | 26                                   | 4                   | <u>4</u>                      | <u>2</u>                   | 50 %             | <u>1</u>  | <u>1</u>   |
| 2012          | 5                                    | 1                   | <u>1</u>                      | <u>0</u>                   | 0 %              | <u>0</u>  | <u>0</u>   |

(1) "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

(2) "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

(3) "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment.

"Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

(4) "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program.

(5) For occupations requiring passage of a licensing examination prior to employment, "graduates as employed in the field" means in a single position for which the institution represents its program prepares its graduates within six months of the announcement of the first licensure examination results.

## EXAM PASSAGE RATE

### Exam Name

| Calendar Year   | Number of Student Taking Exam | Number Who Passed First Exam Taken | Number Who Failed First Exam Taken | Passage Rate |
|---|-------------------------------|------------------------------------|------------------------------------|--------------|
| 20001-CALIFORNIA STATE BOARD OF BARBERING AND COSMETOLOGY |                               |                                    |                                    |              |
| 2011  | <u>9</u>                      | <u>9</u>                           | <u>0</u>                           | 100 %        |
| 2012  | <u>0</u>                      | <u>0</u>                           | <u>0</u>                           | 0 %          |

(1) Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

(2) Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

(3) Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

| Students Not Reporting  | <u>0</u>    | <u>0</u>    |

(1) "Graduates available for employment" means the number of graduates minus

the number  
of graduates unavailable for employment. Graduates unavailable for  
employment means graduates who,  
after graduation, die, become incarcerated, are called to active military  
duty, are international  
students that leave the United States or do not have a visa allowing  
employment in the United States,  
or are continuing their education in an accredited or bureau-approved  
postsecondary institution.

(2) "Graduates employed in the field" means graduates who are gainfully  
employed within six months of  
graduation in a position for which the skills obtained through the education  
and training provided  
by the institution are required or provided a significant advantage to the  
graduate in obtaining the position.

(3) Salary is as reported by the student. Not all graduates reported salary.

(1) "Graduates available for employment" means the number of graduates minus the number

of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

(2) "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the

graduate in obtaining the position.

(3) Salary is as reported by the student. Not all graduates reported salary.

|---------------|--------------------------------------|-----------------------------------|-----------|-----------------|
| 2011          | <u>1</u>                             | <u>1</u>                          | <u>0</u>  | 0 %             |
| 2012          | <u>0</u>                             | <u>0</u>                          | <u>0</u>  | 0 %             |

### 150% COMPLETION RATE

|      |          |          |          |     |
|------|----------|----------|----------|-----|
| 2011 | <u>1</u> | <u>1</u> | <u>0</u> | 0 % |
| 2012 | <u>0</u> | <u>0</u> | <u>0</u> | 0 % |

(1) "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

(2) "Students available for graduation" is the number of students who began program minus the number of Students unavailable for graduation, which means those students who have died, been incarcerated, or called to active military duty.

(3) "Graduates" is the number of students who completed the program within 100% of the published program length.

(4) "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

(5) "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

(6) "150% Completion" Rate is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

## PLACEMENT RATE

| Calendar Year | Number of Students Who Began Program | Number of Graduates | Grad Available for Employment | Grad Employed in the Field | Placement Rate % | Graduates Employed in the Field an average of less than 32 hours per week | of at least 32 hours per week |
|---------------|--------------------------------------|---------------------|-------------------------------|----------------------------|------------------|---|-------------------------------|
| 2011          | 1                                    | 0                   | <u>0</u>                      | <u>0</u>                   | 0 %              | <u>0</u>  | <u>0</u>                      |
| 2012          | 0                                    | 0                   | <u>0</u>                      | <u>0</u>                   | 0 %              | <u>0</u>  | <u>0</u>                      |

- (1) "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
- (2) "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.
- (3) "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- (4) "Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program.
- (5) For occupations requiring passage of a licensing examination prior to employment, "graduates as employed in the field" means in a single position for which the institution represents its program prepares its graduates within six months of the announcement of the first licensure examination results.

## **EXAM PASSAGE RATE**

### **Exam Name**

| <b>Calendar Year</b> | <b>Number of Student Taking Exam</b> | <b>Number Who Passed First Exam Taken</b> | <b>Number Who Failed First Exam Taken</b> | <b>Passage Rate</b> |
|----------------------|--------------------------------------|---|---|---------------------|
|----------------------|--------------------------------------|---|---|---------------------|

(1) Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

(2) Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

(3) Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.
