¹ "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

³ "Graduates" is the number of students who completed the program within 100% of the published program length.

⁴ "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

⁵ "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

⁶ "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

Placement Rates	Initial		Date		Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate % Employed in the Field ⁵	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week

¹ "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Number of Graduates" is the number of students who have completed the program within 100% of the published program length.

³ "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴ "Graduates employed in the field" means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

⁵ Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Placement is not promised or guaranteed at the completion of the program, but assistance will be given to every program student and graduate of Gnomon. Students may obtain a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates in the Placement Office. (§94910(f)(2))

Salary and Wage Information	Initial	Date	Annual Salary and Wages Reported by Graduates Employed in the Field ³							
			\$25,001 - \$30,000	\$30,001 - \$35,000	\$35,001 - \$40,000	\$40,001 - \$45,000	\$45,001 - \$50,000	\$50,001 - \$55,000	Students Not Reporting	
Maya Fast Track (1 term)	2011	4	3	0	1	0	1	0	0	1

Digital Production for Entertainment (8 terms)	2012	25	24	1	1	3	5	1	5	8

¹ "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

² "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

³ Salary is as reported by the student. Not all graduates reported salary.

Students may obtain a list off the objective sources of information used to substantiate the salary disclosure from the Placement Office. (§94910(f)(3)). More detailed information on the manner in which the figures described above are calculated may be found in the Placement Office. (§94910(f)(1))

New Programs: Entertainment Design for Digital Production

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. (§94910(e))

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, or starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law. (§94910(g)(1)) Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818, West Sacramento, 95798-0818, www.bppe.ca.gov, 916-431-6959 or by fax (916) 263-1897. (§94910(g)(2))

Official 3-Year Cohort Default Rate for 2010 is **5.2%**. As of Spring 2013, **57%** of Gnomon students receive federal student loans (§94910(h)). The 3-year cohort default rate is the percentage of Gnomon’s borrowers who enter repayment on federal student loans and fail to meet repayment obligations. Schools with an official 3-year cohort default rate that is equal to or greater than 30% are required to report corrective action to the government.
