Completion Information:

Page 1 of 4

If there is an X before the Program Name it means that the program is new and there is no data for that program. Therefore, the numbers of students who graduate, the number of students who are placed in jobs, the starting salary after finishing the checked program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but they are not equivalent to actual performance data. This will apply to each table in this document.

	Program Name	Cohort Population	Students Unavailable for Graduation	Students Available for Graduation	Number of Graduates	Completion Rate	Initials and Date Your Program of Interest Only	
							Initials	Date
X	HEMODIALYSIS TECHNICIAN	7	1	6	6	85%		

An institution shall annually report to the bureau, as part of the annual report, and publish in its School Performance Fact Sheet, the completion rate for each program. Except as provided in subdivision (b), the completion rate shall be calculated by dividing the number of graduates by the number of students available for graduation. §94929 (a)

Placement Information:

	Program	Graduates	Graduates Unavailable for Employment	Graduates Available for Employment	Graduates Employed in Field	Job Placement Rate	Initials and Date Your Program of Interest Only	
							Initials	Date
X	HEMODIALYSIS TECHNICIAN	7	1	6	6	85%		

An institution shall annually report to the bureau, as part of the annual report, and shall publish in its School Performance Fact Sheet, all of the following:
 (a) The job placement rate, calculated by dividing the number of graduates employed in the field by the number of graduates available for employment for each program that is either (1) designed, or advertised, to lead to a particular career, or (2) advertised or promoted with any claim regarding job placement. §94929.5 (a)

Licensure Information:

This information is for programs that require graduates to pass a state licensure examination. Those programs that do not require state licensure as a condition of employment will be marked with a N/A (Not Applicable)

	Program	Year	Graduates Who Pass the Licensing Examination	Graduates Who Take the Licensing Examination for the First Time	State Licensing Passage Rate	Initials and Date Your Program of Interest Only	
						Initials	Date
X	HEMODIALYSIS TECHNICIAN	2012	2	1	100%		

An institution shall annually report to the bureau, as part of the annual report, and shall publish in its School Performance Fact Sheet, all of the following: The license examination passage rates for the immediately preceding two years for programs leading to employment for which passage of a state licensing examination is required, calculated by dividing the number of graduates who pass the examination by the number of graduates who take the licensing examination the first time that the examination is available after completion of the educational program. The institution shall use state agency licensing data to calculate license examination passage rates. If those data are unavailable, the institution shall calculate the license examination passage rate in a manner consistent with regulations adopted by the bureau. §94929.5 (b)

Certification, Registration, and other Authorizations:

The program of study you are interested in pursuing may require either mandatory or voluntary Certification, Registration, or other types of Authorization to become employed or to enhance your employment potential. The information for the program of study you wish to pursue will be listed in the school catalog. Be sure to ask the Admissions Representative, or other school official, if your program of study requires you to pass either a mandatory or voluntary certification examination. Ask if the school’s curriculum is sufficient to, or has been approved by the agency that administers the certification examination. Ask your Admissions Representative if there are any local, county, or state registration requirements you must meet to enter the career field you are interested in pursuing. Ask your Admissions Representative where the information for Certification, Registration, or other Authorizations can be found. Ask your Admissions Representative if your field of study will require a background check, a physical examination, and/or proof of immunization as a condition of employment.

Salary and Wage Information:

	Program	Graduates Employed in the Field	Annual Wages or Salary (000)					Initials and Date Your Program of Interest Only	
			10	15	20	25	30+	Initials	Date
X	HEMODIALYSIS TECHNICIAN	6				1	6		

Salary and wage information, consisting of the total number of graduates employed in the field and the annual wages or salaries of those graduates stated in increments of five thousand dollars. §94929.5 (c)
