3. PLACEMENT RATE

Not Applicable. We do not offer job placement. We do provide students with information of facilities which hire phlebotomist. We will contact past students when a facility or agency calls us looking for a phlebotomist who has a CPT1 certification to fill a position.

4. SALARY AND WAGE INFORMATION

Starting salary for entry level is from \$14 to \$17 an hour, depending on shift differentials where applicable. Salary after one year or more of experience ranges from \$17 to \$22 an hour. The number of students working in the field is not readily known as many of our students go on to further their education in Nursing, CLS, PA, NPA, or EMT's. Occasionally, a past student will contact our school to say where they are working.

5. A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates is not applicable to our institution as we don't offer job placement, therefore we do not calculate job placement rates.

6. The list of objective sources of information used to substantiate the salary disclosure can be obtained from Hospitals, Questdiagnostics, Labcorp, Laboratories as well as www.labormarketinfo.edd.ca.gov for the county of Los Angeles.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at: P.O.
