A Word From the President

Jesus selected some of His disciples and equipped them in a special way to become workers of the Gospel of God's kingdom. America Evangelical University (AEU) is established to raise up men and women of God who can be characterized as a man or a woman of the Bible, of holiness, of prayer, and of evangelism. At AEU we have a competent faculty which is totally dedicated and deeply committed to teach and train theological students.

Even though the beginning of our School is small like the mustard seed, our vision embraces the whole world as John Wesley had once said, "The world is my parish." Our special concern is with training people to become great Christian leaders who can bring positive change to the world.

With this vision in mind, the objectives of AEU are three: missionary leadership training, pastoral leadership training, and lay leadership training. To reach the goal of these objectives, the AEU offers excellent programs to the undergraduate as well as to the graduate for the development of moral and spiritual strength, and the instilling of intellectual and spiritual power just as the Lord provided for His disciples.

I pray that God may bless this AEU to produce not only good and faithful servants for the kingdom of God, but also effective and powerful leaders that can change the world. We have the same spirit of prayer as Jesus taught His disciples: "The harvest is plentiful, but the laborers are few: pray therefore the Lord of the harvest to send out laborers into His harvest" (Matthew 9:37, 38). May the Lord of harvest send our powerful ministers of the Gospel to the world through America Evangelical University.

If God called you and directed you providentially to apply for America Evangelical University, you made a right choice. You have our word that we will surely do our best to assist you to fulfill your mission in Christ.

Rev. Jong Kil Ryu, D.D
President

State Approval and Accreditation

AEU has been seeking accreditation through Association for Biblical Higher Education (ABHE) and has achieved candidacy status with ABHE in February, 2012. AEU's application for approval to operate is granted by Bureau for Private Postsecondary Education effective January 24, 2013 with an expiration date of January 24, 2018. **For more information, call the Bureau for Private Postsecondary Education at (916) 431-6959, or toll-free at (888) 370-7589, or visit its website at www.bppe.ca.gov.**

Retention of School Records

The Board of Trustees of the America Evangelical University have adopted a resolution to the effect that all school records of the university shall be retained for a minimum of five years with the exception of **student transcripts kept permanently**. The Audit Committee of the Board of Trustees will from time to time verify that the school administrators are in fact adhering to the requirements of this resolution. All records of the University are located in the main office. The important records, including each student's file, grade reports, and financial records, are stored in a safety fire-proof cabinet and on computer disks. In case of the closing of the school, the Union Evangelical Church will be responsible to retain all documents.

Housing Policies

The university does not operate a dormitory or other housing facility, but will assist students in locating adequate housing near the campus. An estimation of the approximate cost or range of cost for the housing is as follows:

Studio: \$ 800-\$ 1,000

One bedroom: \$ 1,100-\$ 1,300

Two bedroom: \$ 1,400-\$ 1,500

Some students find housing in a local residence hotel; others share an apartment, or rent a room from members of a local church. In this case, the cost may be reduced.

The university reserves the right to approve or disapprove housing on a case-by-case basis if there is concern for your academic or spiritual welfare.

The Main Campus and Facilities

The main campus is located in the heart of Los Angeles's Korea Town. We are located at the Ross Plaza at 1818 S. Western Ave # 409, Los Angeles, CA 90006. Our campus has a computer lab. The administrative area houses administrative and faculty offices and student lounge. The music hall sized chapel is capable of approximately 250 audiences. This is used for worship and fellowship.

Challenge Exams

Students who have been admitted to AEU in selected programs may take an exam to “challenge” a course in the curriculum, if an exam exists for the course, and thereby receive credit for the course. Typically, the challenge exam for a course will be an exam similar but different than the course’s final exam that is designed and administered by a faculty member teaching that course. The student must pass the challenge exam by the Grade Point Average of C (70%) and above in order to receive credit for the course. There are limits as to the amount of credit a student can earn through challenge exams. For undergraduates, no more than 25 percent, or 30 semester units, of the bachelor’s curriculum can be challenged. For the 96-unit Master of Divinity students, the limit is 9 semester units and other restrictions apply. The course taken by challenge exam can be counted as one of the courses normally taken in the school semester. The transcript of any student successfully challenging a course will list the course, the exam grade as the final grade, and will carry a designation that the course was met through challenge. Any student wishing to challenge a course must apply in writing to the Dean of Academic Affairs and list the course they would like to challenge, the preferred date, and the amount of credit they wish to receive if they successfully challenge the exam. A non-refundable \$50 challenge exam fee must be paid at the time the challenge exam is taken.

Re-Admission

Any student who either canceled or was canceled from the enrollment must re-apply for re-admission. The Admissions Committee will review the re-application and decide on it.

Academic Policies

The school year at America Evangelical university is divided into two regular semesters, fall and spring, and into two intensive sessions, summer intensives and a winter intensive. The Fall and Spring Semesters have 15 to 17 weeks of class work. The summer and the winter sessions are divided into several two-week terms running during the summer and the winter vacations. The Fall Semester typically begins the last week of August and ends in December. The Spring Semester typically begins the last week of January and ends in May.

The basic unit for credit earned is the semester hour, represented by one hour of class work per week for 15 weeks. In field education, 30 hours of work is required for one unit.

Students must be enrolled for a minimum of 12 semester hours in all degree programs in order to be classified as full-time students. Special permission must be granted to enroll in more than 18 hours per semester. Such permission must be approved in writing from the Petitions Committee before registration.

Residence Requirement

A minimum of 4 semesters in residence is required for the B.Th. degree, 3 semesters for the M.Div. degree, 2 semesters for M.C. and M M. degrees at American Evangelical University.

Grading (or Standards for Student Achievement)

America Evangelical University utilizes letter grades. Grades are reported to students in writing from the Registrar's Office. Grades are designated as follows:

A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0
C-	1.7

D	1.0
F	0.0
E	(Retest)*
I	(Incomplete)**
CR	(Credit)
NC	(No Credit)
H	(Hold)
P	(Pass)
NP	(No Pass)

- * A grade of “E” can be raised up to a grade “B” by passing the retest.
- ** A grade of “I” can be raised up to a grade “B” by the end of the next semester when all course requirements have been satisfied.
- A grade of “CR” will not be included in the computation of grade point average.

Auditing

Regularly matriculated students as well as those not enrolled in the School may audit a course upon the written permission of the professor involved and the Dean of Academic Affairs. An application to audit must be submitted and tuition must be paid before auditing. Credit is not given to auditing students. There are no scholarships available for auditing students. The auditing fee is normally 50% of the regular tuition.

Class Attendance Policies

Regular classroom attendance is crucial in preparation for ministry. Students, therefore, are expected to attend class sessions. Those with absences may be penalized at the discretion of the professor. Absences exceeding one third of the total scheduled class periods will result in automatic failing grades. The student who has been absent due to illness or family crisis must explain the absence directly to the professor. In certain exceptional cases, such as an extended illness or family crisis in which it is impossible for a student to complete a semester’s work, he or she may present a written request to the Dean of Academic Affairs for permission to withdraw from all courses in the semester without penalty.

Small Group Interaction

Some classes include time for small group interaction so that students may process what they learn through discussion, sharing, and prayer.

Conduct

Students are expected at all times to conduct themselves as mature Christians. Student conduct is under the supervision of the Dean of Student Affairs. The School reserves the right to dismiss any student whose conduct is found to be unsatisfactory on the basis of the moral, spiritual and ethical principles found in Scripture and America Evangelical University standards.

Time Limits for Completion of Degree

All courses and examination requirements must be completed within eight years for the B.B.S., 6 years for the M.Div., four years for the M.C or M.M. beginning on the date of the student's first registration for courses at America Evangelical University. An extension can be granted only for special circumstances.

Academic Probation

To remain in acceptable academic standing, a student must maintain a grade point average of 2.0 in all course work taken at America Evangelical University. The school will notify the student whose cumulative average falls below 2.0 and will place the student on academic probation. A student may be dismissed if the student fails to attain a 2.0 average or above during the probationary period.

Requirements for Graduation

In addition to the regulations outlined under the sections dealing with degree requirements in this catalogue, a degree candidate must satisfy the residence requirement, and all assigned work for a prospective graduate must be completed. A grade point average of 2.0 or above is required for graduation in bachelor and master's degrees. A Bible comprehensive examination is required to all degree awarding students, with a minimum passing score of 100 out of 150 questions correctly answered. A graduation comprehensive examination is required for all master's degree level students with a minimum passing score of seven out of ten questions (70%) selected out of thirty study questions which are prepared in advance in the fields of Biblical Theology, Systematic Theology, Historical Theology, Theology of Mission, and Practical Theology. The graduation comprehensive examination can be substituted by a **thesis**.

Application for Graduation

Students must file their applications and pay their graduation fee for graduation at the time of enrollment for their last semester of resident study. All financial accounts are to be in satisfactory order before a student is permitted to graduate. Students are expected to be present for graduation. Graduation in absentia will be permitted only by special approval of the Dean of Academic Affairs in response to a written request which cites reasons.

Academic Freedom Policies

Academic Freedom is endorsed at America Evangelical University by the following policy based on materials provided by the American Association of University Professors.

Academic freedom at the America Evangelical University in order to promote, not any individual teacher's interest or the interest of the institution, but to preserve the common good. Academic freedom in teaching is fundamental for protections of rights of the teacher in teaching and the student in freedom to learn.

- (1) Teachers are entitled to full freedom in research and in publication of results, subject to adequate performance of their other academic duties; but research for monetary return should be based upon an understanding with authorities of the institution.
- (2) Teachers are entitled to freedom in the classroom in discussing subject matter, but they should be careful not to introduce into their teaching controversial matters which have no relation to the subject.
- (3) Instructors bring three social roles to their work; they are citizens, members of a learned profession, and employees of America Evangelical University. When instructors speak or write as citizens, they should be free from institutional censorship or discipline. As instructors and employees, they should remember that the public may judge their profession and America Evangelical University by their utterances. Therefore, instructors should at all times be accurate, exercise appropriate restraint, show respect for the opinions of others, and make every effort to indicate that they are not speaking for the University.
- (4) Students also shall have academic freedom to address topics to be learned without bias or constraint. Students should remember that they have freedom to freely express their views on subject matters in the classroom. However, rules of common courtesy and the rights of all students to express their views should be respected as classroom discussions touch on topics about which there is a diversity of opinion.

Right to Review the Academic Record

Students have the right to review their own academic records on file. To review them, a request form must be filed. Any error will be corrected.

Double Degrees

Anyone who wants to be awarded with a double degree has to submit an academic petition. After reviewing the petition, the Dean of Academic Affairs will respond to the request.

Leave of Absence

In the case of discontinuing course work due to serious illness or other valid reasons, permission for a leave of absence will be granted by the Dean of Academic Affairs. The student, however, must submit a petition through a form provided in the office.

Registration

To begin study, all students without exception must submit registration forms each semester, approved by the instructor, advisor, and/or dean. Student information, the title and number of the course, instructor and financial charge must be written down correctly on the registration form. The tuition of pre-registered students can be reduced by 5% of the total amount, and late registration brings a penalty charge of 5%.

Graduation/Bible Examination

All prospective graduates in the bachelor's and master's degree programs must pass a Bible comprehensive examination. The exam is offered twice a year, normally once in the Fall and once in the Spring. Out of 150 questions (75 from the Old Testament and 75 from the New Testament) at least 100 questions are to be answered correctly in order to pass. Students may take the examination an unlimited number of times. The questions are from the text of the Bible itself. A graduation comprehensive examination is required to meet the qualification of the master's degrees. This exam aims to test the basic knowledge of the core courses in the fields of Biblical Theology, Systematic Theology, Historical Theology, Theology of Mission, and Practical Theology. Students must write correct answers to seven questions out of ten, which are selected out of the thirty study questions which are prepared in advance. The passing score will be 70% or above.

Thesis

Students who enroll in the M.T. and M.Div. degree programs can write a thesis as a substitute for the graduate comprehensive exam. There will be three approval items for the **thesis**:

1. The approval of the subject.
2. The approval of the outline and bibliography.

3. The approval of the first draft and following drafts.

Theses are to be read and evaluated by two readers and the **thesis** by three readers. Approved **thesis** should be kept in the library.

Full/Part Time Status

The students who register with 12 or above semester units are considered full time students. The normal load for full time student is 15 to 18 hours a week. Any student whose GPA in a previous semester is 3.5 or above can register up to 21 semester units with the dean's approval.

Contract, Cancellation and Dismissal

Since registration is a kind of contract between students and the school, it could be canceled anytime by students without hindrance. The contract and cancellation form is ready in the office. Concerning refunds, see the Finance and Scholarship section. Any student who does not register consecutively for more than two semesters without written notification will be dismissed automatically for academic reasons. Any dismissed students who desires to be re-admitted must submit the application form for re-admission.

Retention of Student Record

Important documents including student registrations, transcripts, and finances are preserved in a fire-proof cabinet and in the form of a computer disc. In the case of the permanent closing of the school, the Union Evangelical Church will preserve the documents. Student academic and financial records will be maintained for five years, student transcripts are kept for fifty years.

Code of Academic Ethics

It is assumed that each student who enrolls at the AEU should be in accord with the school's aims and should cooperate in furthering these purposes by adhering to the regulations governing student behavior. AEU reserves the right to terminate the enrollment of any student when such action is deemed to be in the best interest of the university or of the student.

The code of academic ethics attempts to stimulate not only intellectual growth, but also spiritual, ethical, and emotional growth. The AEU code of academic ethics fosters among students, faculty, and administrators a spirit of community where such development can take place. Furthermore, it creates a climate of mutual trust, respect, and interpersonal concern where openness and integrity prevail.

The code emphasizes the dignity of each individual in pursuing self-improvement and developing

full personal potential. It provides free competition and independent intellectual effort, without tolerating dishonesty, cheating, or plagiarism in any form. Each member of the AEU community is expected to adhere to and enforce the code. A full statement of the AEU's Code of Academic Ethics is included in the AEU College Student Handbook. It is the obligation of every student to be familiar with this code.

Improper conduct for which students are subject to discipline includes dishonesty in any form. Furnishing false information to the school with prior knowledge, or forgery, alterations, or misuse of any AEU documents are violations of this principle.

AEU expects from all of its students and employees the highest standard of moral and ethical behavior in harmony with its Christian philosophy and purposes. AEU reserves the right to refuse admittance to, or to expel from, the campus any person who violates these principles.

Refund Policies

Refund During Cancellation Period

If a student cancels a course on or before the first day of instruction at a degree-granting school, the student must receive a refund of 100 percent of the amount paid for institutional charges, less a registration fee not to exceed \$100. Please note that the student must cancel in writing.

Cancellation Example

A student enrolls in the degree program 13 days before it is scheduled to start and pays \$3,000 toward the full tuition. Three days before the scheduled start the student decides he no longer wants to enroll. That same day the student submits a cancellation form to AEU. Thirty days later the student receives a refund equal to the full amount paid, minus \$100 for the registration fee, for a total of \$2,900.

Refund After Cancellation Period

If a student withdraws from a course at AEU after the first day of instruction, the student is entitled to only a partial refund. Please note the student must withdraw in writing. The refund policy is pro-rata to the 60 percent point of the course. Except for those who cancel the course, the formula for refund through the 60 percent point of a course is as follows:

Total Amount Actually Paid For Instruction (Includes all fees, but no equipment)	–	Registration Fee	=	Adjusted Amount Actually Paid for Instruction
Adjusted Amount		Hours of Instruction Not Received but for which Student Has Paid		Final

$$\begin{array}{l} \text{Actually} \\ \text{Paid for} \\ \text{Instruction} \end{array} \quad \times \quad \frac{\hspace{2cm}}{\text{Hours of Instruction For} \\ \text{Which the Student Has Paid}} \quad = \quad \text{Refund}$$

Refund Example

A student enrolls in a degree program, in which the student pays for one year’s worth of tuition in advance. Three-quarters through the program the student withdraws. If a student has paid for the entire year and withdraws after completing three quarters of that year’s program, *the student would not receive a refund*, because he or she has completed over 60 percent of the first year.

Withdrawal Definitions

For the purposes of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs (a) You notify AEU of your withdrawal or the actual date of withdrawal; (b) School terminates prior to your enrollment; or (c) You fail to attend classes for a three-week period.

Payment Schedule

All tuition and fees are due at registration. Students taking nine (9) semester units or more for graduate students, and twelve (12) semester units or more for undergraduate students, who are financially unable to pay all tuition and fees at registration may be allowed to pay by installment as follows:

- 1/2 tuition and fees at registration.
- 1/4 tuition and fees by the end of the 4th week.
- 1/4 tuition and fees by the end of the 8th week.

Students will not be permitted to register for a new semester unless all financial obligations of prior semesters at the school have been settled. AEU requires a payment of five (5) percent of the annual interest in the amount which is still due pursuant to the payment schedule.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel under which it is explained that the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance **at the first class session, or the seventh day after the enrollment, whichever is later.** Cancellation is effective on the date the written notice of cancellation is sent to the AEU.

This institution shall transmit all the lessons and other materials to the student if the student (a) has fully paid for the educational program; and (b) after having received the first lesson and initial materials, requests in writing that all of the material be sent. If the institution transmits the balance of the material as the student requests, the Institution shall remain obligated to provide the other educational services it agreed to provide, such as response to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons are material are transmitted.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed \$ 250.00, and less any deduction for books and materials not returned in good condition, within 45 days of withdrawal.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For programs beyond the current "payment period," if you withdraw prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan of third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan.

Loan:

If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

First Aid Kit

The first aid kit is provided at the school office. It may be utilized free of charge.

Emergency and Campus Crime

Any student in an emergency situation must call 911. If anyone has a language problem in English, the LAPD Korea town police is available (213-237-0569). Also the Union Evangelical Church provides emergency service (213-466-7101). If any student needs assistance, ask at the Dean of Student Affairs' office. On campus, crime is very scarce. However, to prevent any crime attempts it is recommended that you walk in a group and watch one another.

Sexual Harassment

As required in CEC 94385, America Evangelical University has a policy prohibiting any act involving sexual assault or harassment by any of its employees, students, staff, faculty, or anyone conducting business on University premises, which includes University's classrooms and classroom buildings, the resort area and any location used for an off-site school function.

Sexual Assault includes but is not limited to rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery or threat of sexual assault.

If you, as the victim, believe a sexual assault act has been committed, report the assault immediately to the nearest faculty or staff member, who will, in turn notify the school Dean of Student Affairs and the police.

Any observer of a sexual assault crime should notify the school Dean of Student Affairs immediately rather than take the initiative to contact the police. It is critical that the rights of victims are protected so that they accurately report the crime to authorities.

The police will arrive to review the crime, take a description of the attacker, etc. and ensure that

the victim and his or her escort are transported to a medical facility.

Confidentiality is required in order to protect all parties involved with the assault. Any inquiries from newspapers, employees, parents, or other students will be immediately forwarded to the University Dean of Student Affairs to avoid misrepresentation of the facts and breach of confidentiality.

Efforts will be made by the school staff or faculty member to help the victim deal with academic difficulties resulting from the crime.

Should another student, faculty members, or staff member be accused of the crime, appropriate disciplinary action will occur until a formal investigation is completed. The victim will be informed of any further disciplinary action or appeal in connection with the sexual assault.

Prevention is the best tool for elimination of sexual assault. All staff, faculty, and students should take all steps necessary to prevent sexual assault from occurring such as expressing strong disapproval, using self defense techniques, and increasing awareness of what sexual assault means.

Discipline

Any student who violates a law or regulation of the school intentionally and continuously will be disciplined. Any student whose GPA is below 2.0 on the 4.0 scale will be put on probationary status. Any students whose moral standard falls seriously short of the Christian faith will be disciplined. Especially, any cheating, plagiarism, drunkenness, sexual assault, physical violence, adultery, homo-sexual conduct, and stealing will be taken seriously and disciplined. Discipline will be finalized through the procedure of the Student Discipline Committee. There are four categories of discipline, namely: warning, probation, suspension and dismissal.

Counseling Services

Personal counseling services are available to interested graduate and undergraduate students without any fee. The Dean of Academic Affairs and school office personnel, Vice President (now vacant) and Rev. Joseph Choi, and Dr. Sukkil Yoon are ready to meet the need of

counseling on academic affairs. For psychological or adjusting problems, professional counseling services will be provided by appointment. The request form for counseling is found in the office. In the case of an emergency, a full-time faculty member can be contacted. Although a counseling center is not in operation, we can refer students to outside counseling services when necessary. During monthly office meetings, the effectiveness of counseling services is assessed.

Student Pastoring and Preacher's License

All the enrolled students are encouraged to be involved in various type of ministries, including local church pastoring. Students who enroll in the M.Div. degree program may be declared student preachers after completing 48 semester units. Upon graduation from graduate school, such students can obtain a preacher's license which is issued by the denominational agency.

Career Planning and Placement Services

AEU provides career planning and placement services to its students. Students will be encouraged to complete a personal career plan prior to graduation. Cooperating with local churches whose congregations are Korean-Americans, AEU provides employment placement services. AEU will often provide introductory letters to sister churches of the Union Evangelical Church and mission organizations. Also, information on job openings are posted. If requested, staff can assist students in the preparation of a resume. Please note that AEU does not guarantee jobs for its graduates.

Bookstore

There is no bookstore on campus. However, AEU has an unwritten contract with Joy Church Supplies (213-469-9973) and Word of Life Book Store (213-382-4538) which are located within three miles of the campus. Students can purchase not only books but also stationary at these locations.

Alumni

Every graduate of this school with a degree is a America Evangelical University Alumni. The Alumni membership fee will be collected annually and funds alumni activities. It seeks to assist alumni members' ministries, the sharing of experiences and provides various information in different areas.

Tutorial Assistance

AEU does not have a formal tutorial assistance program. Students who are in need of additional

assistance on a topic are asked to contact their instructor, who will attend to their need.
