

PERFORMANCE FACT SHEET

SCHOOL: Central Valley Opportunity Center

CLASS: *Business Occupations, General*

The California Private Postsecondary Education Act (CPPEA) requires that a school provide information for each program offered in regards to school performance. The following performance for Business Occupations, General is for the past two calendar years 2011 and 2012.

Completion Rates (includes data for two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program (1)	Students Available For Graduation(2)	Graduates(3)	Completion Rate(4)
2011	119	119	90	76%
2012	113	111	65	59%

(1) “Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

(2) “Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation” which means those students who have died, been incarcerated, or have been called to active military duty.

(3) “Graduates” is the number of students who completed the program within 100% of the published program length.

(4) “Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Placement Rates (includes data for two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program (1)	Number of Graduates (2)	Graduates Available for Employment (3)	Graduates Employed in the field (4)	Placement Rate % Employed in the field.(5)	Graduates Employed in the field. An average of less than 32 hours per week	Graduates Employed in the field. An average of more than 32 hours per week
2011	119	90	84	26	31%	8	18
2012	113	65	62	15	24%	5	10

(1) “Number of Students Who Began Program” means the number of students who began the programs who are scheduled to complete the program within the reporting calendar year.

(2) “Number of Graduates” is the number of students who completed the program within 100% of the published program length.

(3) “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

(4) “Graduate employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate obtaining the position.

(5) “Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

(6) A list of the employment positions determined to be within the field for which a student received training used in the calculations of job placement rates can be found on Central Valley Opportunity Center’s web site under Performance Fact Sheets.

Salary and Wage Information (includes data for two calendar years prior to reporting)

Annual Salary and Wages Reported Graduates Employed in the Field

Calendar Year	Graduates Available for Employment (1)	Graduates Employed in the field (2)	\$0,000. \$10,000.	\$10,001. \$15,000.	\$15,001. \$20,000.	\$20,001. \$25,000.	\$25,001. \$30,000.	\$30,001. \$45,000+.
2011	84	26	3	5	14	3	0	1
2012	62	15	3	2	6	4	0	0

Note: CVOC makes no claim as to the expected starting wages or salaries of students.

(1) “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

(2) “Graduate employed in the field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate obtaining the position.

(3) Salary is as reported by the student. Not all graduates reported salary. Student reported salaries are maintained in the CVOC database. An aggregate report is available upon request.

Sources of the information reported on this School Performance Fact Sheet may be obtained from the institutional records at the administrative office during business hours.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding the fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818, West Sacramento, CA 95798-0818, Web site: www.bppe.ca.gov, E-mail: bppe@dca.ca.gov , Ph: 888-370-7589.

I, (**print** participant/client name) _____, was provided with a copy of the Central Valley Opportunity Center, Business Occupations, General Performance Fact Sheet on this date _____.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.
